Waymar Resources Announces Exercise of Option on Anza Property and a Promissory Note

25.06.2013 | Marketwire

VANCOUVER, 06/25/13 - Waymar Resources Ltd. ("Waymar" or the "Company") (TSX VENTURE: WYM) is pleased to announce that the Company has made the final option cash payments aggregating US$2,000,000 and issued 2,000,000 common shares to the optionors and has exercised its option to acquire 100% interest in the Anza Property, Colombia.

Pursuant to the Anza Property Option Agreement made effective June 29, 2010, the Company entered into a property option agreement to acquire a 100% legal and beneficial interest in the Anza property comprised of approximately 6,738 hectares of mineral rights located on the eastern-most margin of Colombia's Western Cordillera, 50 km west of Medellin. In order to exercise its option, the Company paid US$3,800,000 over a three year period, issued 3,800,000 common shares to the optionors over a three year period and made expenditures on the property in excess of US$4,000,000 over a three year period. The optionors will retain a 2% net smelter return royalty on the property, 50% of which may be purchased by the Company for US$1,000,000.

"This is a significant milestone for the Company. We have honoured all our commitments under the Option Agreement and will continue to unlock the full potential of the Anza deposit," said Pablo Marcet, president of Waymar.

The Company has also entered into a loan agreement with Continental Gold Limited by issuing a US$500,000 promissory note. The promissory note is non-interest bearing with a maturity date of March 1, 2014 and is secured by registration of a general security agreement over the Company's personal property.
