Vancouver, Canada (ABN Newswire) - [Energizer Resources](#) (TSE:EGZ) Senior Vice President of Corporate Development, Brent Nykoliati will be presenting at Vancouver Investorium.tv Fairmont Pacific Rim Monday 20th January

Mr. Nykoliati holds a Bachelor of Commerce degree with Honours from Queen's University serves as Energizer Resources' Senior Vice President of Corporate Development. Previous to Energizer, Mr. Nykoliati's career has spanned 15 years in retail marketing and corporate development, holding various senior management roles with industry-leading companies such as Nestle, Home Depot and Whirlpool. Energizer Resources is currently focused on developing its flagship Molo Graphite Project in Madagascar which is the largest known all-flake graphite resource in the world. Energizer has initiated a Full Feasibility Study, which is expected to be completed by Q4 of this year.

Energizer Resources joins Focus Graphite (Don Baxter), Gold Explorer [Balmoral Resources](#) (TSE:BAR) CEO Darin Wagner and highly respected resource investment analyst Lawrence Roulston at Investorium.tv in January.

Donald K.D. Baxter, President, Holds a degree in Mining Engineering from Queen's University, is a Registered Professional Engineer and a Qualified Person under NI 43-101. Mr. Baxter served as President of [Northern Graphite Corp.](#) between February 2, 2011 and July 8, 2013 and was responsible for all technical aspects relating to the Bissett Creek graphite project including the bankable feasibility study, metallurgical test work and environmental and mine permitting.

Lawrence Roulston, editor, is a geologist, with engineering and business training, and more than 25 years of hands-on experience in the resource industry. Lawrence is ideally suited to publish Resource Opportunities. Mr. Roulston's years of hands-on experience and extensive personal contacts in the industry provide unique insights that have generated an impressive track record for Resource Opportunities.

Mr. Wagner is a Professional Geologist with 20 years of exploration and corporate development experience. Mr. Wagner spent the first 10 years of his career with two of Canada's largest and most successful exploration and mining companies ([Noranda](#) (now Xstrata) and Cominco (now [Teck](#))) as a project geologist and manager in North and South America.

The live presentation will be held over dinner at the Emerald Ballroom, Fairmont Hotel, Vancouver. Investors interested in viewing the LIVE WEBCAST may visit: www.investorium.tv/webcast
