Winrock Resources' Shareholders Approve Change of Business Focus

19.03.2014 | FSCwire

Vancouver, British Columbia (FSCwire) - Winrock Resources Inc. (CSE: WR / Frankfurt: 1W4) ("Winrock" or the "Company") is pleased to announce that at the Company's annual and special meeting of shareholders held today, shareholders overwhelmingly approved the change of primary focus of the Company's business from resource exploration to the provision of crypto-currency financial services.

Shareholders also approved the re-appointment of the Company's auditor, the Company's stock option plan, setting the number of directors at four, and, by special resolution, approved the creation of a class of preferred shares and the adoption of a new form of articles.

Paul Dickson, Harvey Dick and Derrick Strickland were re-elected as directors and Brian Gusko was elected as a director.

Cautionary note: This report may contain forward-looking statements, particularly those regarding cash flow, capital expenditures and investment plans. Resource estimates, unless specifically noted, are considered speculative. Unless otherwise stated, any and all resource or reserve estimates are historical in nature, and should not be relied upon. By their nature, forward-looking statements involve risk and uncertainties because they relate to events and depend on factors that will or may occur in the future. Actual results may vary depending upon exploration activities, industry production, commodity demand and pricing, currency exchange rates, and, but not limited to, general economic factors. Cautionary Note to US investors: The U.S. Securities and Exchange Commission specifically prohibits the use of certain terms, such as "reserves" unless such figures are based upon actual production or formation tests and can be shown to be economically and legally producible under existing economic and operating conditions.
