

American Magna Corp. Announces New Director to Management Team

02.12.2013 | [Marketwire](#)

HENDERSON, December 02, 2013 - [American Magna Corp.](#) (OTCQB: AMGC) is pleased to announce the addition of Douglas McGibbon to the company's management team.

Mr. McGibbon has extensive industry experience in the exploration of mining minerals since 1979. From May 2009 until the present, he has been the Principal for McGibbon Consulting LLC. From September 2006 to July 2013, he served as Vice President of Exploration for Sniper Resources Ltd. From March 1999 to August 2006, he was the Chief Geologist for Glamis Marigold Mining Company.

Mr. McGibbon is a Certified Professional Geologist with the American Institute of Professional Geologists. Mr. McGibbon received his M.S. in Geology at the University of Texas at Arlington in May 1979. He received his B.A. in Geology at the University of California at Santa Barbara in December 1976.

"We are very excited to add Mr. McGibbon to our leadership team," said American Magna's president, Herb Duerr. "He brings a depth of knowledge and experience that will be a key factor in guiding the development of American Magna Corp. in the future."

About American Magna Corp.

[American Magna Corp.](#) is a U.S. based magnesium exploration and development company. American Magna is publically traded on the OTCQB.

Forward Looking Statements

Disclaimer: This announcement may contain forward-looking statements which involve risks and uncertainties that include, among others, limited operating history, limited access to operating capital, factors detailed in the accuracy of geological and geophysical results including drilling and assay reports; the ability to close the acquisition of mineral exploration properties, and other factors which may cause the actual results, performance or achievements of the company to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. More information is included in the company's filings with the Securities and Exchange Commission, and may be accessed through the SEC's website at <http://www.sec.gov>.
