28.04.2015 | [Marketwire](#)

VANCOUVER, Apr 27, 2015 - [WestKam Gold Corp.](#) (TSX VENTURE:WKG) (the "Company" or "WestKam") announces that the Company intends to raise up to \$500,000 by way of a non-brokered private placement (the "Offering") of units ("Units") of the Company at a price of \$0.03 per Unit. Subject to certain limitations discussed below, the Offering is open to all existing shareholders of the Company. The Offering is subject to TSX Venture Exchange ("TSXV") final acceptance.

Any existing shareholders interested in participating in the Offering should contact the Company pursuant to the contact information set forth below.

The Offering

The maximum Offering is 16,666,666 Units for gross proceeds of \$500,000. The Offering is not subject to any minimum aggregate subscription. Each Unit will consist of one common share in the capital of WestKam (the "Common Shares") and one Common Share purchase warrant (the "Warrants"). Each Warrant will be exercisable into one Common Share for a period of five years at a price of \$0.05/share.

A finder's fee of cash, Common Shares or Warrants, or a combination thereof, may be paid to eligible finders with respect to any portion of the Offering that is not subscribed for by existing shareholders.

The proceeds of the Offering will be used to conduct a work program on the Company's Bonaparte property, to repay outstanding debt and for working capital and general corporate purposes. Assuming the entire \$500,000 Offering is completed, the use of proceeds will be as follows: Phase 1 drill program on the Bonaparte property, including environmental, consulting and travel (\$375,000); legal/accounting/audit/AGM costs (\$45,000); transfer agent fees/regulatory listing and filing fees (\$10,000); website/corporate communications (\$7,500); rent/office expenses and general supplies (\$12,500); consulting fees for CFO and CEO (\$30,000); and unallocated/general corporate purposes (\$20,000). Although the Company intends to use the proceeds of the Offering as described above, the actual allocation of net proceeds may vary from the uses set forth above, depending on future operations or unforeseen events or opportunities. If the Offering is not fully subscribed, the Company will apply the proceeds of the Offering to the above uses in priority and in such proportions as management of the Company determines is in the best interests of the Company.

The securities issued in connection with the Offering will be subject to a hold period expiring four months and one day from the date of issuance of such securities.

Existing Shareholder Exemption

Depending on demand and regulatory requirements, a portion of the Offering may be made in accordance with the provisions of the existing shareholder exemption (the "Existing Shareholder Exemption") contained in Multilateral CSA Notice 45-313 and the various corresponding blanket orders and rules of participating jurisdictions (the Existing Shareholder Exemption is not available in Ontario or Newfoundland and Labrador). In addition to conducting the Offering pursuant to the Existing Shareholder Exemption, the Offering will also be conducted pursuant to other available prospectus exemptions, including sales to accredited investors, family and close personal friends and business associates of directors and officers of the Company.

The Company has set April 24, 2015 as the record date for the purpose of determining existing shareholders entitled to purchase Units pursuant to the Existing Shareholder Exemption. Subscribers purchasing Units under the Existing Shareholder Exemption will need to represent in writing that they meet certain

requirements of the Existing Shareholder Exemption, including that they were, on or before the record date, a shareholder of the Company (and still are a shareholder). The aggregate acquisition cost to a subscriber under the Existing Shareholder Exemption cannot exceed \$15,000 unless that subscriber has obtained advice from a registered investment dealer regarding the suitability of the investment. There is no minimum subscription amount. If subscriptions received for the Offering based on all available exemptions exceed the maximum Offering amount of \$500,000, Units will be allocated *pro rata* amongst all subscribers qualifying under all available exemptions.
