

VANCOUVER, BRITISH COLUMBIA--(Marketwired - April 28, 2015) - [Sutter Gold Mining Inc.](#) (TSX VENTURE:SGM)(OTCQX:SGMNF) ("Sutter" or "the Company") announces the resignation of Mr. David Fennell from its Board of Directors, effective March 24, 2015.

Mr. Fennell has served as a Director of the Board to Sutter since June 2009. He currently serves as officer and/or director of a number of publicly-traded resource and resource-related companies. Mr. Fennell has decided to resign from his Sutter board position in order to dedicate more attention to these other ventures.

Mark T. Brown, Sutter's Chairman, commented, "David has been a valuable director and the board will miss his experience and input. We understand his decision to devote even more time to his other ventures in these challenging times and wish him the best."

About Sutter

Sutter currently holds a number of precious metals properties in California, USA, including the permitted Lincoln underground mine near Sutter Creek, California, as well as a new, permitted processing facility, located near the entrance to the Lincoln Mine. In March 2014, the project was put on care and maintenance while certain production issues are being evaluated and the Company reduced costs due to capital constraints.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
