02.06.2015 | [Marketwire](#)

VANCOUVER, June 2, 2015 - [Anthem Resources Inc.](#) (TSX VENTURE:AYN) ("Anthem" or "the Company") and [Boss Power Corp.](#) (TSX VENTURE:BPU) ("Boss Power" or the "Company") are pleased to announce that they have entered into an arrangement agreement (the "Arrangement Agreement") pursuant to which Boss will acquire 100% of the outstanding common shares in the capital of Anthem (the "Anthem Shares") by way of a plan of arrangement under Section 288 of the Business Corporations Act (British Columbia) (the "Arrangement").

Summary of the Arrangement

Anthem shareholders will receive common shares of Boss (the "Boss Shares") on the basis of 0.75 of a Boss Share for each Anthem Share held.

The Arrangement is subject to the approval of (i) at least two-thirds of the votes cast by Anthem shareholders at a special meeting of Anthem shareholders (the "Anthem Meeting"); (ii) a majority of the votes cast by Boss shareholders at an annual general and special meeting of Boss shareholders (the "Boss Meeting"); and (iii) a majority of the votes cast by minority shareholders of both Anthem and Boss at their respective meetings. Both the Anthem Meeting and Boss Meeting are expected to be held in July 2015.

Completion of the Arrangement is also subject to the approval of the British Columbia Supreme Court, the TSX Venture Exchange, the receipt of all other necessary regulatory and third party approvals, and other customary conditions.

At the closing of the Arrangement, Boss expects that, in addition to holding all of Anthem's marketable securities, it will have approximately \$13.4 million of cash.

The Arrangement is expected to provide significant benefits for shareholders of Anthem and Boss, including:

- elimination of the double holding company discount;
- the opportunity for Anthem shareholders to gain direct exposure to Anthem's investment in Boss;
- pooling of cash and mineral resources;
- operating efficiencies and a substantial reduction in overhead expense; and
- a strong position from which to participate in the anticipated consolidation in the mining industry.

After taking into consideration, among other things, the terms of the Arrangement, the recommendation of the special committee of Anthem directors established to review the Arrangement and the receipt of an opinion from Anthem's financial advisor that the consideration to be paid by Boss to the Anthem shareholders pursuant to the Arrangement is fair, from a financial point of view, to the Anthem shareholders, Anthem's board of directors has concluded that the Arrangement is in the best interests of Anthem and has approved the Arrangement Agreement. Anthem's board of directors intends to recommend in the joint management information circular to be mailed in connection with the Anthem Meeting that the Anthem shareholders vote in favour of the Arrangement.
