#### Tahoe Cautionary Note Regarding Forward-Looking Statements

This news release contains "forward-looking information" within the meaning of applicable Canadian securities legislation, and "forward-looking statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995 (collectively referred to as "forward-looking information"). The use of any of the words "expect", "optimize", "update" and similar expressions are intended to identify forward-looking information or statements.

In respect of the forward-looking statements, Tahoe has provided them in reliance on certain assumptions that they believe are reasonable at this time. Since forward-looking information addresses future events and conditions, by its very nature it involves inherent risks and uncertainties, many of which are beyond Tahoe's control. These include, but are not limited to, results of exploration activities and development of mineral properties; the interpretation of drilling results and other geological data; the uncertainties of resource and reserve estimations; receipt and security of mineral property titles; receipt of licenses to conduct mining activities; country risks and civil unrest; the timing and possible outcome of pending litigation; delays or changes in plans with respect to exploration or development projects or capital expenditures; cost overruns or unanticipated costs and expenses; uncertainties inherent to feasibility and other economic studies; health, safety and environmental risks; precious metal prices and other commodity price and exchange rate fluctuations; marketing and transportation; loss of markets; environmental risks; competition; incorrect assessment of the value of acquisitions; ability to access sufficient capital from internal and external sources; changes in legislation, including but not limited to, mining regulations, tax laws, royalties and environmental regulations; and risks inherent to operating in developing countries.

Readers are cautioned that the foregoing list of factors is not exhaustive. Additional information on other risks and factors that could affect the operations or financial results of Tahoe are included in reports on file with applicable securities regulatory authorities, including but not limited to, Tahoe's Annual Information Form dated March 11, 2015, Rio Alto's Annual Information Form dated March 13, 2015 and Tahoe's short form prospectus dated June 23, 2015, each of which may be accessed on Tahoe's SEDAR profile at [www.sedar.com](http://www.sedar.com).

The forward-looking statements and information contained in this news release are made as of the date hereof and Tahoe does not undertake any obligation to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events, or results or otherwise, other than as required by applicable securities laws.
