About ACI Association:

Active Charter Investors Association ("ACI Association") produces regular sponsored and non-sponsored reports, articles, stock market blogs, and popular investment newsletters covering equities listed on NYSE and NASDAQ and micro-cap stocks. ACI

Association has two distinct and independent departments. One department produces non-sponsored analyst certified content generally in the form of press releases, articles and reports covering equities listed on NYSE and NASDAQ and the other produces sponsored content (in most cases not reviewed by a registered analyst), which typically consists of compensated investment newsletters, articles and reports covering listed stocks and micro-caps. Such sponsored content is outside the scope of procedures detailed below.

ACI Association has not been compensated; directly or indirectly; for producing or publishing this document.

PRESS RELEASE PROCEDURES:

The non-sponsored content contained herein has been prepared by a writer (the "Author") and is fact checked and reviewed by a third party research service company (the "Reviewer"). Rohit Tuli, a CFA® charter holder (the "Sponsor"), provides necessary guidance in preparing the document templates. The Reviewer has reviewed and revised the content, as necessary, based on sound investment judgment and publicly available information which is believed to be reliable. The Reviewer and the Sponsor have not performed any independent investigations or forensic audits to validate the information herein. Unless otherwise noted, any content outside of this document has no association with the Author, the Reviewer, or the Sponsor (collectively referred to as the "Production Team") in any way. The Production Team is compensated on a fixed monthly basis and do not hold any positions of interest in any of the securities mentioned herein. The information in this release has been sourced from a third party data base.

NO WARRANTY

ACI Association, the Author, the Reviewer and the Sponsor (collectively referred to as the "Publishers") are not responsible for any error which may be occasioned at the time of printing of this document or any error, mistake or shortcoming. No liability is accepted by the Publishers whatsoever for any direct, indirect or consequential loss arising from the use of this document. The Publishers expressly disclaim any fiduciary responsibility or liability for any consequences, financial or otherwise arising from any reliance placed on the information in this document. Additionally, the Publishers do not (1) guarantee the accuracy, timeliness, completeness or correct sequencing of the information, or (2) warrant any results from use of the information. The included information is subject to change without notice.

NOT AN OFFERING

This document is not intended as an offering, recommendation, or a solicitation of an offer to buy or sell the securities mentioned or discussed, and is to be used for informational purposes only. Please read all associated disclosures and disclaimers in full before investing.
