Cautionary statement on forward-looking information

All statements, other than statements of historical fact, contained in this news release constitute "forward-looking information" or "forward-looking statements" within the meaning of certain securities laws, including the provisions of the Securities Act (Ontario) and the provisions for "safe harbor" under the United States Private Securities Litigation Reform Act of 1995, and are based on expectations, assumptions, estimates and projections as of the date of this news release. The word "schedule" and or statements that certain actions, events or results may, could, should or will occur, and variations of similar or similar such words, phrases expressions, identify forward-looking statements. Forward-looking statements are necessarily based upon a number of expectations, assumptions, estimates and projections that, while considered reasonable by Kinross as of the date of such statements, are inherently subject to business uncertainties and contingencies, which can affect, and could cause, actual actions, events or results to differ from those expressed or implied in any forward looking statements made herein. There can be no assurance that forward looking statements will prove to be accurate, as actual and future actions, events or results could differ from those anticipated in such statements. All of the forward looking statements made in this news release are qualified by these cautionary statements, which are not intended to represent a complete list of such factors. Kinross disclaims any intention or obligation to update or revise any forward-looking statements, except to the extent required by applicable law.
