

TORONTO, Aug. 22, 2016 /CNW/ - [AuRico Metals Inc.](#) (TSX: AMI), ("AuRico" or the "Company") announces that it has closed its previously announced bought deal offering of 11,500,000 common shares at a price of C\$1.00 per common share, which includes 1,500,000 common shares issued pursuant to the exercise in full of the over-allotment option (the "Offering").

The shares were purchased on a bought deal basis by a syndicate of underwriters (the "Underwriters") co-led by National Bank Financial Inc. and Macquarie Capital Markets Canada Ltd., and included Mackie Research Capital Corporation, Canaccord Genuity Corp., Dundee Securities Ltd., and Paradigm Capital Inc.

In addition, [Alamos Gold Inc.](#) exercised its participation right to maintain its pro rata interest in full pursuant to a concurrent private placement undertaken in connection with the Offering for 1,272,611 common shares. As a result, combined gross proceeds raised by the Company totaled C\$12,772,611.

The net proceeds from the Offering will be used to fund the potential acquisition of additional royalties, the advancement of permitting activities and detailed engineering at the Kemess Underground project, as well as for working capital and general corporate purposes.

The securities offered have not been registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or any applicable exemption from the registration requirements. This press release does not constitute an offer to sell or the solicitation of an offer to buy nor will there be any sale of the securities in any state in which such offer, solicitation or sale would be unlawful.

#### About AuRico Metals

AuRico Metals is a mining royalty and development company whose producing gold royalty assets include a 1.5% NSR royalty on the Young-Davidson Gold Mine, a 0.25% NSR royalty on the Williams Mine at Hemlo, and a 0.5% NSR royalty on the Eagle River Mine – all located in Ontario, Canada. AuRico Metals also has a 2% NSR royalty on the Fosterville Mine and a 1% NSR royalty on the Stawell Mine, located in Victoria, Australia. Aside from its diversified royalty portfolio, AuRico owns (100%) the advanced Kemess Gold-Copper Project in British Columbia, Canada. AuRico Metals' head office is located in Toronto, Ontario, Canada.

#### Cautionary Statement

This news release contains "forward-looking information" which may include, but is not limited to, statements with respect to the future financial or operating performance of the Company and its projects, as well as the use of proceeds from the Offering. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", or "believes" or variations (including negative variations) of such words and phrases, or state that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved. Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Forward-looking statements contained herein are made as of the date of this press release and the Company disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or results or otherwise. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. The Company undertakes no obligation to update forward-looking statements if circumstances, management's estimates or opinions should change, except as required by securities legislation. Accordingly, the reader is cautioned not to place undue reliance on forward-looking statements. The Company believes that, in addition to conventional measures prepared in accordance with IFRS, certain investors use this information to evaluate the Company's performance and ability to generate cash flow.
