

[Cloud Peak Energy Inc.](#) (NYSE: CLD) announced the final results of the offers to exchange (collectively, the “Exchange Offers” and each an “Exchange Offer”) by its direct and indirect wholly-owned subsidiaries, Cloud Peak Energy Resources LLC and Cloud Peak Energy Finance Corp. (together, the “Issuers”), of up to \$400,000,000 aggregate principal amount of their outstanding 8.50% Senior Notes due 2019 (the “2019 Notes”) and 6.375% Senior Notes due 2024 (the “2024 Notes”, together with the 2019 Notes, the “Old Notes”), for new secured 12.00% Second Lien Notes due 2021 to be issued by the Issuers (the “New Secured Notes”) and, in some cases, cash consideration, upon the terms and conditions described in the Issuers’ Offer to Exchange dated September 12, 2016 (as amended, the “Offer to Exchange”).

The Exchange Offers expired at 11:59 p.m., New York City time, on October 12, 2016 (the “Expiration Date”). The Exchange Offers are expected to settle on October 17, 2016.

Withdrawal rights for the Exchange Offers have expired, and holders may no longer withdraw their tendered Old Notes.

According to information received from D.F. King & Co., Inc., the exchange agent for the Exchange Offers, as of the Expiration Date, the following principal amounts of the Old Notes had been validly tendered and not validly withdrawn:

		Old Notes Tendered		
Title of Notes	CUSIP No.	Outstanding Principal Amount (in millions)	Principal Amount	Percentage
8.50% Senior Notes due 2019	18911MAD3	\$300	\$237,906,000	79.30%
6.375% Senior Notes due 2024	18911XAA5	\$200	\$143,592,000	71.80%

As previously announced, the Exchange Offer for the 2019 Notes was conditioned upon a minimum of \$200,000,000 aggregate principal amount outstanding of 2019 Notes being tendered, and that condition has been satisfied. The Exchange Offer for the 2024 Notes was not conditioned upon any minimum amount of 2024 Notes being tendered. Subject to the satisfaction or waiver of the remaining conditions to the Exchange Offers, the Issuers intend to accept for exchange all of the Old Notes shown in the table above.

The consideration for each \$1,000 principal amount of Old Notes validly tendered (and not validly withdrawn) prior to October 4, 2016 (the “Early Tender Date”) and accepted for exchange pursuant to the Exchange Offers will be the principal amount of the New Secured Notes set forth in the table below with respect to such series of Old Notes set forth in the table below, plus a cash payment of \$53 in the case of the 2019 Notes and \$40 in the case of the 2024 Notes. The consideration for each \$1,000 principal amount of Old Notes validly tendered (and not validly withdrawn) after the Early Tender Date, but before the Expiration Date, and accepted for exchange pursuant to the Exchange Offers will be the principal amount of the New Secured Notes set forth in the table below with respect to such series of Old Notes set forth in the table below, but without any cash payment. Holders whose Old Notes are exchanged in the Exchange Offers will also receive accrued and unpaid interest from the most recent interest payment date for the Old Notes up to, but not including, the settlement date.

Title of Notes	Early Exchange Consideration, if Tendered Prior to the Early Tender Date (1)(2)	Cash Payment, if Tendered Prior to the Early Tender Date (2)	Total Consideration Including Cash Payment, if Tendered Prior to the Early Tender Date (2)	Late Exchange Consideration, if Tendered After the Early Tender Date and Prior to the Expiration Date (1)(2)
	(Per \$1,000 Principal Amount of Old Notes)			
8.50% Senior Notes due 2019	\$840	\$53	\$893	\$840
6.375% Senior Notes due 2024	\$632	\$40	\$672	\$632

(1) Principal amount of New Secured Notes.

(2) Does not include accrued and unpaid interest to the settlement date.

The original complete terms and conditions of the Exchange Offers are described in the Offer to Exchange, a copy of which is filed as an exhibit to the Form T-3 filed by the Issuers with the Securities and Exchange Commission (the “SEC”) on September 12, 2016 and amended on October 7, 2016.

None of the Issuers, the exchange agent, the information agent, the trustee or the administrative agent for the Old Notes or the New Secured Notes or their respective affiliates has made any recommendation as to whether or not holders should tender all or any portion of their Old Notes in the Exchange Offers.

The Exchange Offers were made solely pursuant to the Offer to Exchange. The Issuers relied on Section 3(a)(9) of the

Securities Act of 1933, as amended (the "Securities Act"), to exempt the Exchange Offers from the registration requirements of the Securities Act. The Issuers have not and will not file a registration statement with the SEC under the Securities Act or any other federal or state securities laws with respect to the New Secured Notes, nor has the SEC or any state or foreign securities commission passed upon the fairness or merits of the Exchange Offers or upon the accuracy or adequacy of the information contained in, or incorporated by reference into, the Offer to Exchange or any related documents. This announcement is not an offer to purchase nor a solicitation of an offer to sell with respect to any securities. The Exchange Offers were not made to holders of Old Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction.

## About Cloud Peak Energy®

[Cloud Peak Energy Inc.](#) (NYSE:CLD) is headquartered in Wyoming and is one of the largest U.S. coal producers and the only pure-play Powder River Basin coal company. As one of the safest coal producers in the nation, Cloud Peak Energy mines low sulfur, subbituminous coal and provides logistics supply services. The company owns and operates three surface coal mines in the PRB, the lowest cost major coal producing region in the nation. The Antelope and Cordero Rojo mines are located in Wyoming and the Spring Creek Mine is located in Montana. In 2015, Cloud Peak Energy shipped approximately 75 million tons from its three mines to customers located throughout the U.S. and around the world. Cloud Peak Energy also owns rights to substantial undeveloped coal and complementary surface assets in the Northern PRB, further building the company's long-term position to serve Asian export and domestic customers. With approximately 1,400 total employees, the company is widely recognized for its exemplary performance in its safety and environmental programs. Cloud Peak Energy is a sustainable fuel supplier for approximately three percent of the nation's electricity.
