

VANCOUVER, BC--(Marketwired - November 01, 2016) - [Clean Commodities Corp.](#) (TSX VENTURE: CLE) ("Clean Commodities" or the "Corporation") is pleased to announce that it has arranged a brokered flow-through financing (the "Flow-Through Financing") consisting of up to 4,117,648 flow-through shares (the "Flow-Through Shares") at an above-market price of \$0.085 per flow-through share for gross proceeds of up to \$350,000.08.

The Corporation intends to use the proceeds of the Flow-Through Financing to fund exploration work at its Labrador Trough Project in Quebec, and/or other exploration opportunities as its project portfolio in Quebec presents.

Clean Commodities engaged Secutor Capital Management Corp. to conduct the Flow-Through Financing. The Corporation has agreed to pay a 7% cash fee on the gross proceeds of the Flow-Through Financing and issue non-transferrable common share brokers warrants equal to 7% of the total Flow-Through Financing exercisable at \$0.085 for an 18 month period following closing.

Shares issued pursuant to the Flow-Through Financing shall be subject to a four-month hold period pursuant to applicable securities laws of Canada.
