

Elko, NV (FSCwire) - [Lithium Corp.](#) [OTCQB:LTUM] is pleased to announce that current director Tom Lewis will reassume the Presidency of the Company as Mr. Brian Goss will be stepping down. Brian will remain as both a director and consultant to [Lithium Corp.](#).

Mr. Lewis remarked, "We'd like to thank Brian for all that he's done for the Company during the past 2 ½ years, and look forward to a continued relationship with him in the years to come. Brian took over the management of [Lithium Corp.](#) at a difficult time at the height of the industry wide downturn, and has nurtured the Company along, positioning it well for the future."

For further information with regard to [Lithium Corp.](#), please contact Tom Lewis at (775) 410-2206 or via email at info@lithiumcorporation.com

About Lithium Corporation

[Lithium Corp.](#) is an exploration company based in Nevada devoted to the exploration for energy storage related resources throughout North America, looking to capitalize on opportunities within the ever expanding next generation battery markets. The Company maintains a strategic alliance with Altura Mining, an ASX listed natural resource development company that is currently developing its 100% owned world-class Pilgangoora lithium pegmatite property in Western Australia.

Notice Regarding Forward-Looking Statements

This current report contains "forward-looking statements," as that term is defined in Section 27A of the United States Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Statements in this press release which are not purely historical are forward-looking statements and include any statements regarding beliefs, plans, expectations or intentions regarding the future. Actual results could differ from those projected in any forward-looking statements due to numerous factors. Such factors include, among others, the inherent uncertainties associated with mineral exploration and difficulties associated with obtaining financing on acceptable terms. We are not in control of minerals prices and these could vary to make development uneconomic. These forward-looking statements are made as of the date of this news release, and we assume no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements. Although we believe that the beliefs, plans, expectations and intentions contained in this press release are reasonable, there can be no assurance that such beliefs, plans, expectations or intentions will prove to be accurate. Investors should consult all of the information set forth herein and should also refer to the risk factors disclosure outlined in our most recent annual report for our last fiscal year, our quarterly reports, and other periodic reports filed from time-to-time with the Securities and Exchange Commission.
