

[Hecla Mining Company](#) (NYSE:HL) today announced that it has commenced a cash tender offer (the “Tender Offer”) to purchase any and all of its 6.875% Senior Notes due 2021 (the “Notes”). There is \$506.5 million aggregate principal amount of Notes outstanding. The Tender Offer is being made on the terms and subject to the conditions set forth in the Offer to Purchase dated June 28, 2017 (the “Offer to Purchase”), which is being sent to holders of the Notes.

The Tender Offer is scheduled to expire at 5:00 p.m., New York City time, on July 6, 2017, unless extended or earlier terminated as described in the Offer to Purchase (such time and date, as they may be extended, the “Expiration Time”). Tenders of the Notes must be properly made before the Expiration Time and may be withdrawn at any time before the Expiration Time. Holders of the Notes who validly tender (and do not validly withdraw) their Notes at or prior to the Expiration Time, or who deliver to the information and tender agent a properly completed and duly executed Notice of Guaranteed Delivery in accordance with the instructions described in the Offer to Purchase, will receive in cash \$1,038.13 per \$1,000 principal amount of Notes validly tendered and accepted by the Company for purchase in the Tender Offer, plus accrued and unpaid interest to, but not including, the settlement date, which is expected to be July 7, 2017.

Tendered Notes may be withdrawn at any time prior to the Expiration Time. The Tender Offer is subject to the satisfaction or waiver of a number of conditions as set forth in the Offer to Purchase, including the receipt by the Company of proceeds from a proposed debt financing on terms reasonably satisfactory to the Company generating net proceeds, together with cash on hand, in an amount sufficient to effect the repurchase of all the Notes validly tendered and accepted for purchase pursuant to the Tender Offer. The Company may amend, extend or terminate the Tender Offer in its sole discretion and subject to applicable law.

The Company currently intends to deliver a notice of redemption in order to redeem any Notes outstanding following the consummation of the Tender Offer, although the Company has no legal obligation to do so and the selection of any particular redemption date is in the Company’s discretion. This news release shall not be deemed to constitute a notice of redemption.

None of the Company, the dealer manager, the information and tender agent, or the trustee for the Notes, or any of their respective affiliates, is making any recommendation as to whether holders of the Notes should tender any Notes in response to the Tender Offer. Holders of the Notes must make their own decision as to whether to tender any of their Notes and, if so, the principal amount of Notes to tender. In addition, this news release does not constitute a notice of redemption of the Notes under the optional redemption provisions of the indenture governing the Notes. The Tender Offer is being made solely by means of the Offer to Purchase. In those jurisdictions where the securities, blue sky or other laws require any tender offer to be made by a licensed broker or dealer, the Tender Offer will be deemed to be made on behalf of the Company by the dealer manager or one or more registered brokers or dealers licensed under the laws of such jurisdiction.
