Elko, Nevada (FSCwire) - Lithium Corp. (“LTUM” or the “Company”) announces that an analyst’s research report has been released by New York based consulting firm, RB Milestone Group, LLC (“RBMG”). The report provides an in depth overview of the Company’s lithium and graphite assets based in Nevada and British Colombia. It also provides an investment rationale, SWOT analysis, and an outlook on the current state of the lithium, graphite and energy storage industries.

A copy of the research report can be accessed by visiting the homepage of Lithium Corp.’s corporate website (www.lithiumcorporation.com) or by contacting Trevor Brucato, Managing Director at RBMG.

About Lithium Corporation

Lithium Corp. (OTCQB: LTUM) is an exploration and development company formed in 2009 focused on the discovery of minable deposits of energy metals in Nevada and British Columbia. LTUM is a project generator, and is positioning itself as the preeminent explorer, and potential future provider of specialty metals essential for the production of lithium ion batteries, and other hi-tech applications. The Company’s strategic partner Altura Mining, an Australian listed lithium company, currently holds approximately 13% of LTUM.

About RB Milestone Group, LLC

Notice Regarding Forward-Looking Statements

This current report contains "forward-looking statements," as that term is defined in Section 27A of the United States Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Statements in this press release which are not purely historical are forward-looking statements and include any statements regarding beliefs, plans, expectations or intentions regarding the future.

Actual results could differ from those projected in any forward-looking statements due to numerous factors. Such factors include, among others, the inherent uncertainties associated with mineral exploration and difficulties associated with obtaining financing on acceptable terms. We are not in control of minerals prices and these could vary to make development uneconomic. These forward-looking statements are made as of the date of this news release, and we assume no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements. Although we believe that the beliefs, plans, expectations and intentions contained in this press release are reasonable, there can be no assurance that such beliefs, plans, expectations or intentions will prove to be accurate. Investors should consult all of the information set forth herein and should also refer to the risk factors disclosure outlined in our most recent annual report for our last fiscal year, our quarterly reports, and other periodic reports filed from time-to-time with the Securities and Exchange Commission.
