

VANCOUVER, Aug. 28, 2017 /CNW/ - David H. Brett, President & CEO, [Engold Mines Ltd.](#), (TSX-V: EGM, "EnGold" or the "Company") reports that, subject to wild fire and safety conditions, the Company plans to recommence drilling on September 7th, 2017, at its 100% owned Lac La Hache Copper, Gold, Silver Property in the Cariboo region of BC.

"We are looking forward to reactivating our program in the Cariboo," said EnGold President & CEO David H Brett. "It's been a very challenging summer for communities in the Cariboo, and safe and responsible exploration of EnGold's exciting Lac La Hache Property remains our top priority."

"EnGold continues to analyze and interpret its extensive package of new geophysical data" said VP of Exploration Rob Shives. "Further details about the next phase of the exploration program will be discussed in an upcoming news release."

About EnGold

EnGold (www.engold.ca) is focused on exploring its 100% owned mineral property located near the town of Lac La Hache in BC's prolific Cariboo mining region. EnGold's corporate philosophy rests on three interdependent pillars: Environment, Engagement and Gold. Through sound environmental stewardship, commitment to transparent engagement with local communities, the Company is dedicated to driving exceptional shareholder and stakeholder value by discovering and developing mineral resources.

Rob Shives P.Geo., VP Exploration and a Qualified Person as defined under National Instrument 43-101, has reviewed and approved the technical content of this release.
