

# Sage Gold Announces Private Placement of Flow-Through Units

11.12.2017 | [Marketwire](#)

TORONTO, ONTARIO--(Marketwired - Dec. 11, 2017) - [Sage Gold Inc.](#) ("Sage Gold" or the "Company") (TSX VENTURE:SGX) is pleased to announce that it intends to complete a treasury offering of flow-through common share units (the "Units") at the price \$0.22 per Unit for the gross proceeds of up to or \$500,000 on a best-efforts private placement basis (the "Offering"), subject to regulatory approval. Each Unit will consist of one common share of the Corporation (a "Common Share"), issued on a flow-through basis ("Flow-Through Share"), plus one-half (1/2) of one Common Share purchase warrant (each whole warrant, a "Warrant"). Each whole Warrant entitles its holder to purchase one Common Share at an exercise price of \$0.32 for a period of 24 months following the closing of the Offering. The Corporation has the option of increasing the size of the Offering by up to 50%.

Securities issued pursuant to the Offering shall be subject to a four-month plus one day hold period commencing on the day of the closing of the Offering under applicable Canadian securities laws. Eligible finders may receive in cash of up to 8% and compensation share purchase warrants ("Finder Warrants") of up to 5% of the Offering. The Corporation intends to use the net proceeds from the Offering to incur Canadian Exploration Expenses (CEE) on its properties.

CAUTIONARY STATEMENT: Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. This news release may contain forward looking information and the Company cautions readers that forward looking information is based on certain assumptions and risk factors that could cause actual results to differ materially from the expectations of the Company included in this news release. This news release includes certain "forward-looking statements", which often, but not always, can be identified by the use of words such as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan". These statements are based on information currently available to the Company and the Company provides no assurance that actual results will meet management's expectations. Forward-looking statements include estimates and statements with respect to the Company's future plans, objectives or goals, to the effect that the Company or management expects a stated condition or result to occur. Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results relating to, among other things, results of exploration, metallurgical processing, project development, reclamation and capital costs of the Company's mineral properties, and the Company's financial condition and prospects, could differ materially from those currently anticipated in such statements for many reasons such as, but are not limited to: failure to identify mineral resources; failure to convert estimated mineral resources to reserves; the preliminary nature of metallurgical test results; delays in obtaining or failures to obtain required governmental, environmental or other project approvals; political risks; uncertainties relating to the availability and costs of financing needed in the future; changes in equity markets, inflation, changes in exchange rates; fluctuations in commodity prices; delays in the development of projects; capital and operating costs varying significantly from estimates and the other risks involved in the mineral exploration and development industry; and those risks set out in the Company's public documents filed on SEDAR. This list is not exhaustive of the factors that may affect any of the Company's forward-looking statements. These and other factors should be considered carefully and readers should not place undue reliance on the Company's forward-looking statements. Although the Company believes that the assumptions and factors used in preparing the forward-looking information in this news release are reasonable, undue reliance should not be placed on such information, which only applies as of the date of this news release, and no assurance can be given that such events will occur in the disclosed time frames or at all. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.
