Bedford, Nova Scotia - [NSX Silver Inc.](#) (the “Company” or “NSX”) (TSX.V: NSY.H) is pleased to provide further updates on its previously announced transaction (the “Transaction”) with Village View No. 1 Limited Partnership (the “Vendor”) to acquire all of the real property located at 41 Noel Avenue, Saint John, New Brunswick (the “Target Assets”) for an aggregate purchase price of \$5,161,500, subject to adjustments. The Target Assets are a multi-unit residential property with the following key characteristics:

Change of Business Transaction

As previously announced, NSX entered into a letter of intent on July 31, 2017 to acquire the Target Assets. NSX Silver subsequently entered into an agreement of purchase and sale (the “APS”) with the Vendor on August 17, 2017 with the closing thereof being conditional upon the satisfaction of a number of conditions.

On May 16, 2018, NSX entered into an amendment to the APS pursuant to which, among other things, the parties agreed to the following amendments to the APS:

- the Purchase Price increased to C\$5,161,500 (the “Purchase Price”), subject to adjustments at closing;
- the assignment of the APS to 10664316 Canada Inc., a company incorporated under the Canada Business Corporations Act and the sole subsidiary of the Company (the “Purchaser”), which entity shall be used by NSX as the acquiring entity of the Target Assets;
- the payment of the following additional deposits:
 - ￮ C\$15,000 non-refundable deposit, which deposit shall be credited towards the Purchase Price on closing;
 - ￮ C\$46,500 refundable deposit, which deposit shall be credited towards the Purchase Price on closing;
- the Purchase Price, less the C\$71,500 of deposits already paid, shall be paid by the Purchaser as follows:
 - ￮ C\$4,990,000 payable by cash from the proceeds of the Concurrent Financing (as defined below) that NSX expects to complete concurrent with, or shortly before, the closing of the Transaction and the proceeds from a first priority mortgage on the Target Assets from CIBC Mortgage Inc. in the principal amount of C\$3,300,000; and
 - ￮ 666,666 units of the Company – representing a market value of C\$100,000 (the “Vendor Take-back Financing”) at a price of \$0.15 per Unit – each unit consisting of one common share of the Company (each, a “Common Share” and, collectively, the “Common Shares”) and one-half of one Common Share purchase warrant (each, a “Unit”). Each full warrant (a “Warrant”) shall entitle the holder thereof to acquire one Common Share of the Company for a period of 24 months from the date of issuance at a price of \$0.25 per Common Share.

In addition, as part of the Transaction, the Company has entered into three option agreements entered into between NSX and arms’ length third parties with respect to the grant of an option to NSX to acquire the real property located at 50 Noel Avenue, 51 Noel Avenue and 70 Noel Avenue, collectively represented by PIDs 55221972, 55226328, 00370593, 00370601 and 0037067, and certain portions of the real property located

at 51 Noel Avenue represented by PIDs 00370320 and 55233035.

Completion of the Transaction as contemplated would constitute a “change of business” in accordance with TSX Venture Exchange (“TSXV” or the “Exchange”) Policy 5.2 – Changes of Business and Reverse Takeovers, as the Company’s current business is the exploration for minerals. The Transaction would see the Company engage in the ownership and management of a multi-unit residential real estate.

Since (i) the Transaction is an arm’s length transaction and is not a “related party transaction”, as such term is defined under the Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions, (ii) NSX is listed on the NEX without active operations; and (iii) the Company is not subject to a cease trade order, NSX is not required to obtain shareholder approval for the Transaction.

It is contemplated that the proposed Transaction would meet the criteria for a listing on the TSXV and allow the Company to reactivate from the NEX to TSXV, subject to approval of the Exchange.

Completion of the Transaction is subject to a number of conditions including, but not limited to, completion of the Concurrent Financing (as defined below) and approval by the Exchange.

The Transaction is expected to close in the coming weeks on such date as the Company and the Vendor may agree (the “Closing Date”).

Shareholder Meeting

In connection with the Transaction, NSX held its annual and special meeting of shareholders on June 28, 2018 (the “Meeting”). At the Meeting, shareholders elected current directors and conditionally elected directors effective on closing of the Transaction, and approved, among other things: (i) a change in the name of NSX to “ViveRE Communities Inc.” or such other name as the board of NSX may determine; (ii) a deferred share unit plan for the Company to take effect upon the completion of the Company’s reactivation from the NEX to the TSXV; and (iii) the Company’s incentive stock option plan.

The Concurrent Financing

Further to NSX’s news release of November 16, 2017, NSX is pleased to provide the following updates in respect of the private placement financing that the Company expects to complete concurrent with, or shortly before, the closing of the Transaction:

1. A non-brokered private placement of a two-year convertible debenture, earning interest at a rate of 12%, issued at a price of \$1,000 per debenture, for aggregate gross proceeds of C\$800,000 (the “Series A Debentures”);
2. Echelon Wealth Partners Inc. (“Echelon”) and Industrial Alliance Securities Inc. (together with Echelon, the “Agents”) have agreed to sell, on a commercially reasonable efforts private placement basis:

 - b. A two-year convertible debenture, earning interest at a rate of 12%, issued at a price of \$1,000 per debenture, for aggregate gross proceeds of C\$500,000 (the “Series B Debentures” and together with the Series A Debentures, the “Debentures”),

(1 and 2, collectively, the “Concurrent Financing”).

The Concurrent Financing is expected to close on or before the Closing Date.

Upon the satisfaction of the Escrow Release Conditions (as defined below) on or prior to three months following the Closing Date (the “Escrow Deadline”), each Subscription Receipt shall be automatically convert, without any further action by the holder, and for no additional consideration, into one Unit.

The Debentures are convertible into units of NSX (the “Debenture Units”) at a price of \$0.15 per Debenture Unit. Each Debenture Unit is comprised of one Common Share and one Common Share purchase warrant, each such warrant entitling the holder thereof to acquire one Common Share for a period of 24 months from the date of issuance of the Debenture at a price of \$0.175 per Common Share.

100% of the proceeds of the Subscription Receipts (the “Escrowed Funds”), shall be deposited in escrow on

the Closing Date. The Escrowed Funds (less amounts payable by the Company to the Agents) shall be released from escrow by the Escrow Agent to the Company upon the completion or irrevocable waiver or satisfaction of all conditions precedent to the Transaction (together, the "Escrow Release Conditions").

In the event that the Escrow Release Conditions are not satisfied or incapable of being satisfied on or before the date which is three months following the Closing Date, the proceeds raised by the Subscription Receipts, with accrued interest earned thereon (less any applicable withholding taxes), will be returned to the subscribers and the Subscription Receipts will be cancelled.

The Company has agreed to: (i) pay the Agents a cash commission equal to 7% of the gross proceeds from the Subscription Receipts, the Series B Convertible Debentures and the Vendor Take-back Financing; and (ii) issue to the Agents such number of share purchase warrants (each, an "Agents' Warrant") as is equal to 7% of the aggregate number of (a) Subscription Receipts, (b) Units issued in connection with the Vendor Take-Back Financing and (c) the gross proceeds of the Series B Convertible Debentures divided by \$0.25, with each Agents' Warrant entitling the holder to acquire Unit at the Issue Price until the date that is 24 months from the Closing Date.

The Company will use the net proceeds of the Concurrent Financing to acquire the Target Assets and for general corporate and working capital purposes.
