About Equinox Gold

Equinox Gold is a Canadian mining company with a multi-million-ounce gold resource base and near-term and growing gold production from two past-producing mines in Brazil and California. Construction is well advanced at the Company's Aurizona Gold Mine in Brazil with the objective of pouring gold by year-end 2018, and the Company is advancing its Castle Mountain Gold Mine in California with the objective of commissioning Phase 1 operations by the end of 2019. Further information about Equinox Gold's current portfolio of assets and long-term growth strategy is available at www.equinoxgold.com or by email at ir@equinoxgold.com.

Cautionary Notes and Forward-Looking Statements

Neither the TSX Venture Exchange nor its Regulation Services Provider (as such term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

This document contains certain forward-looking information and forward-looking statements within the meaning of applicable securities legislation (collectively "forward-looking statements"). The use of the words "will", "objective" and similar expressions are intended to identify forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, undue reliance should not be placed on forward-looking statements since the Company can give no assurance that such expectations will prove to be correct. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements, including the risks, uncertainties and other factors identified in the Company's periodic filings with Canadian securities regulators, and assumptions made with regard to the Company's ability to complete construction at Aurizona on budget or at all, and the timing to achieve production; the Company's ability to commission Phase 1 operations at Castle Mountain and recommence production; and the Company's ability to achieve its expected growth and production potential. Furthermore, the forward-looking statements contained in this news release are made as at the date of this news release and the Company does not

undertake any obligations to publicly update and/or revise any of the included forward-looking statements, whether as a result of additional information, future events and/or otherwise, except as may be required by applicable securities laws.
