

Altiplano Announces Increase in Private Placement

02.03.2020 | [Newsfile](#)

Edmonton, March 2, 2020 - [Altiplano Metals Inc.](#) (TSXV: APN) (WKN: A2JNFG) ("Altiplano" or the "Company") the Company is pleased to announce an increase of its non-brokered private placement (the "Offering") for up to 8,333,333 units (the "Units") at C\$0.06 per Unit for gross proceeds of \$500,000 (see previously announced news release on February 12th). Each Unit will consist of one (1) common share and one-half (1/2) non-transferable share purchase warrant (the "Warrants") of the Company.

Each whole Warrant will be exercisable to acquire one (1) additional common share for two years from the closing date of the Offering at a price of C\$0.10 per share. In the event that the common shares of the Company trade at a closing price greater than \$0.20 per share for a period of 10 consecutive days, then the Company may deliver a notice to the Warrant holders that they must exercise their Warrants within the next 30 days, or the Warrants will expire. The Company may pay finder's fees raised in connection with the financing to arm's length finders in accordance with the policies of the TSX Venture Exchange and as permitted by law.

Completion of the Offering is subject to the delivery of definitive subscription agreements and TSX Venture Exchange's acceptance. All the securities issued pursuant to this Offering will have a hold period expiring four months and a day after the closing date. The proceeds of the Offering will be used to fund the construction of the Company's own processing facility and the completion of the current exploration and development programs, and general working capital.

About Altiplano

[Altiplano Metals Inc.](#) (TSXV: APN) is a mineral exploration company focused on evaluating and acquiring projects with significant potential for advancement from discovery through to production, in Canada and abroad. Management has a substantial record of success in capitalizing on opportunity, overcoming challenges and building shareholder value. This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address exploration drilling, exploitation activities and events or developments that the Company expects are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements. Factors that could cause actual results to

differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, continuity of mineralization, uncertainties related to the ability to obtain necessary permits, licenses and title and delays due to third party opposition, changes in government policies regarding mining and natural resource exploration and exploitation, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. For more information on the Company, investors should review the Company's continuous disclosure filings that are available at www.sedar.com.
