

Auryn and Eastmain Announce Overwhelming Shareholder Support for Acquisition Transaction after Proxy Cut-Off

01.10.2020 | [ACCESS Newswire](#)

VANCOUVER, October 1, 2020 - [Auryn Resources Inc.](#) (TSX:AUG)(NYSE American:AUG) ("Auryn") and [Eastmain Resources Inc.](#) (TSX:ER) ("Eastmain") are pleased to jointly announce that proxy voting has concluded with support from shareholders of both companies in excess of 99% for the previously announced transactions pursuant to which Auryn spins out its Peruvian assets and immediately acquires Eastmain (the "Transaction"). No shareholders of either company exercised dissent rights in respect of the Transaction which fulfills another important condition under the arrangement agreement between the parties dated July 29, 2020, which governs completion of the Transaction.

Shareholders who voted by proxy represent 63.90% of Auryn's issued and outstanding shares and 34.53% of Eastmain's issued and outstanding shares, which are levels well above the participation of shareholders at Auryn's and Eastmain's previous AGMs. It also follows an endorsement from independent proxy advisor Glass Lewis which, like independent proxy advisor ISS last week, recommended shareholders of each of Auryn and Eastmain vote in favour of the Transaction at their respective meeting and shareholders of Auryn vote in favour of all related matters.

Under the Transaction, Auryn will acquire Eastmain after spinning out its Peruvian assets into two new companies and distributing the shares of those new companies to Auryn's shareholders. The Transaction will also create Fury Gold Mines Limited ("Fury Gold"), a leading developer of Canadian gold projects.

Registered shareholders of both Auryn and Eastmain still have the opportunity to vote at their respective special meeting on October 5, 2020 (the "Meetings").

A Message from Ivan Bebek, Executive Chairman & Director of Auryn:

"We appreciate the high level of support we received, which should make Monday's meeting a very positive event. Trading of the shares of Fury Gold Mines will commence on a date to be specified in a TSX bulletin which will be issued shortly after closing of the Transaction."

A Message from Blair Schultz, Interim President & CEO of Eastmain:

"Eastmain shareholders have enthusiastically supported the proposed acquisition by Auryn. The Board and Management thank our shareholders for the support, and we are eager to watch Fury Gold advance our Eau Claire Project."

The Meetings

The Meetings will be held concurrently on virtual platforms on Monday, October 5, 2020 at 10:00 a.m. (Vancouver time) / 1:00 p.m. (Toronto time).

About Auryn

[Auryn Resources Inc.](#) is a technically-driven, well-financed junior exploration company focused on finding and advancing globally significant precious and base metal deposits. Auryn built a portfolio of six projects in Canada and Peru containing gold, silver and copper resources and exploration targets. On July 29, 2020, Auryn announced its intention to spin out its Peruvian assets into two new companies and acquire Eastmain, creating a Canadian gold-focused exploration and development company to be renamed as Fury Gold Mines Limited. Auryn's two flagship Canadian properties are the Committee Bay gold project in Nunavut and Homestake gold project in British Columbia for which an amended preliminary economic assessment was filed effective June 24, 2020. Upon closing of the Transaction, Fury Gold's three core assets will comprise of Eau Claire in Québec, Committee Bay and Homestake Ridge. Auryn shareholders, invested prior to the completion of the Transaction, will become shareholders of Fury Gold and will also receive shares in the two new Canadian spin out companies, one holding the Sombrero copper-gold project, and the other holding both the Curibaya silver-gold project and Huilacollo gold project. Auryn's technical and management teams have an impressive track-record of successfully monetizing assets for all stakeholders and local communities in which it operates. Auryn conducts itself to the highest standards of corporate governance and sustainability. For more information on Auryn and the Transaction, please visit www.aurynresources.com.

About Eastmain

Eastmain is a Canadian exploration company operating in the Eeyou Istchee emerging James Bay gold camp in Québec. Eastmain holds a 100%-interest in the Clearwater Property, host of the Eau Claire Project, for which it issued a Preliminary Economic Assessment in May 2018, and the Percival Discovery made in November 2018. Eastmain is also the operator of the Éléonore South Joint Venture, located immediately south of Newmont's Éléonore Mine, which hosts the Moni/Contact Trend Discovery (2017).
