Forward-looking statements and information relate to future events or future performance, reflect current expectations, beliefs regarding future events and are typically identified by words such as "anticipate", "could", "should", "expect", "seem", "intend", "likely", "plan", "estimate", "will", "believe" and similar expressions suggesting future outcomes or statements regarding the outlook. With respect to forward-looking information concerning the continued operation and development of Oyu Tolgoi, the Company based its assumptions and analyses on certain factors which are inherently uncertain. Uncertainties and assumptions include, among others: the timing and cost of the construction and expansion of mining and processing facilities; the timing and availability of a long-term domestic power source (or the availability of financing for the Company or the Government of Mongolia to develop such a source) for Oyu Tolgoi; the ability to secure and draw down on the supplemental debt under the Oyu Tolgoi project financing facility and the availability of additional financing on terms reasonably acceptable to Oyu Tolgoi LLC, Rio Tinto Company to further develop Oyu Tolgoi as well as the status and nature of the Company's ongoing discussions with Rio Tinto and its subsidiaries with respect to future funding plans and requirements (including as contemplated by the MoU); the impact of COVID-19; the impact of changes in, or changes in interpretation to or changes in enforcement of, laws, regulations or government practices in Mongolia; the availability and cost of skilled labour and transportation; the obtaining of (and the timing of obtaining) necessary environmental and other government approvals, consents and permits; delays, and the effect that would result from delays, in the development of the underground mine (which could significantly exceed the costs projected in OTTR20); projected copper, gold and silver prices and their market demand; and production estimates and the anticipated production of copper, gold and silver at Oyu Tolgoi.
