

Valorem Resources Inc. Unaware of Any Material Change

16.04.2021 | [GlobeNewswire](#)

VANCOUVER, April 16, 2021 - [Valorem Resources Inc.](#) (the "Company" or "Valorem") (CSE: VALU) (Frankfurt: 1XW1). It has come to the Company's attention that we have been the target of false statements being made by the-financialnews.com about the nature of our assets. We understand from an article published by the Globe & Mail earlier today, that the offending website has previously targeted another exploration company with an almost identically worded post about that particular company.

Valorem wishes to clarify that we have had no involvement with this website before nor in connection with the false article about our assets. Valorem has never had any communications with this website, is not associated with this website in any manner whatsoever, nor do we know who they are. Valorem strongly disclaims any statements made about us by this website.

About Valorem Resources Inc. - Valorem explores and develops precious metal properties in the Americas.

ON BEHALF OF THE BOARD - [Valorem Resources Inc.](#)

NEITHER THE CANADIAN SECURITIES EXCHANGE NOR ITS REGULATIONS SERVICES PROVIDER HAVE REVIEWED OR ACCEPT RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE. NO STOCK EXCHANGE, SECURITIES COMMISSION OR OTHER REGULATORY AUTHORITY HAS APPROVED OR DISAPPROVED THE INFORMATION CONTAINED HEREIN.

This news release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, including the likelihood of commercial mining and possible future financings are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include unsuccessful exploration results, changes in metals prices, changes in the availability of funding for mineral exploration, unanticipated changes in key management personnel and general economic conditions. Mining is an inherently risky business. Accordingly, the actual events may differ materially from those projected in the forward-looking statements. For more information on the Company and the risks and challenges of its business, investors should review the Company's annual filings which are available at www.sedar.com.
