Spey Corporate Rebranding and Social Media Engagement

07.06.2021 | Newsfile

Vancouver, June 7, 2021 - Spey Resources Corp. (CSE: SPEY) (OTC Pink: SPEYF) ("Spey" or the "Company") is pleased to announce that it has updated its website to include more detailed information on its current portfolio of assets and increasing focus on lithium. The website contains a section outlining the Company's Salar de Incahuasi lithium brine project in the prolific lithium triangle in Argentina. In addition, the new website will update visitors regarding Spey's corporate activities.

Spey also announces it has entered into an engagement agreement with Volume Hunters of Vancouver, B.C., Canada, to provide social media and capital markets advisory services to the Company. Volume Hunters will initiate and increase awareness of the Company, its multiple highly prospective mining properties, and its exploration activities.

A key part of this mandate will focus on increasing visibility and building relationships with investors.

Company CEO and Director Nader Vatanchi states, "With the new addition of lithium to our mining portfolio, I believe it is important to bring a new audience to Spey and I will work with the principals of Volume Hunters to broaden our exposure."

The agreement with Volume Hunters has an initial term of twelve months, for which they will be paid a fee of $35,000.

Stock options

The Company also announces it has granted stock options to directors, officers and consultants under its stock option plan to acquire a total of 2,000,000 common shares. All of the options are exercisable at a price of $0.365 cents per share, vest immediately and have a term of five years, expiring on June 4, 2026.
