

Arbor Metals Corp. Looks to Add Lithium Project to Exploration Portfolio

20.09.2021 | [The Newswire](#)

Vancouver, Sept 20, 2021 - [Arbor Metals Corp.](#) (the "Company") (TSXV:ABR), (FWB:432) announces that it is in the final stages of negotiations to acquire the rights to a prospective lithium project in the United States of America. Through the addition of this lithium project the Company is, once again, showing its commitment to seeking under explored mineral projects to maintain a balanced strategy to the benefit of its shareholders.

The move into lithium is an integral part of the Company's exploration strategy. Management continually evaluates opportunities anywhere in the world where there is the potential for a world class deposit that meets the Company's criteria.

Readers are cautioned that the Company has not yet finalized the terms for the acquisition of the lithium project, and there can be no guarantee that negotiations will successfully lead to a transaction. Completion of any transaction will be subject to customary closing conditions, which may include regulatory approval. The Company will provide further information regarding the prospective acquisition once an agreement has been reached.
