22.09.2021 | [CNW](#)

SASKATOON, Sept. 22, 2021 - [49 North Resources Inc.](#) ("FNR" or the "Company") (TSXV: FNR) announces that it will be completing a rights offering (the "Rights Offering") in which holders of record of the Company's common shares (the "Common Shares"), as at the record date of October 4, 2021, will receive rights to subscribe for units of the Company on the basis of one right for each Common Share held. The Rights Offering will be made in all the provinces and territories of Canada (the "Eligible Jurisdictions") and in such other jurisdictions where FNR is eligible to make such offering.

Each right will entitle the holder to subscribe for one unit of the Company (a "Unit") upon payment of a subscription price of \$0.02 per Unit. Each Unit consists of one Common Share and one (1) Common Share purchase warrant (a "Warrant"). Each Warrant shall be exercisable for one Common Share at a price of \$0.07 per share for a period of twenty-four (24) months from the issuance date of the Warrant, subject to early expiry in the event the daily volume-weighted average trading price per Common Share for any 20 consecutive trading days in which there have been at least 100 Common Shares traded exceeds \$0.15. The Warrants, when issued, are not expected to be listed on any stock exchange.

Subject to the receipt of final approval from the TSX Venture Exchange ("TSXV"), the Common Shares are expected to commence trading on the TSXV on an ex-rights basis at the opening of business on October 1, 2021. This means that Common Shares purchased on or following October 1, 2021 will not be entitled to receive rights under the Rights Offering. At that time, the rights are expected to be posted for trading on a "when issued" basis on the TSXV under the symbol "FNR.RT". The Rights Offering will expire at 5:00 p.m. (Toronto time) on November 10, 2021 (the "Expiry Time"), after which time unexercised rights will be void and of no value. Shareholders who fully exercise their rights will be entitled to subscribe for additional Units, if not all of the Units have been subscribed for under the basic subscription privilege prior to the Expiry Time, subject to certain limitations set out in the Company's rights offering circular (the "Circular").

Details of the Rights Offering will be set out in the rights offering notice (the "Notice") and the Circular, which will be available under the Company's profile at www.sedar.com. The Notice and accompanying rights certificate will be mailed to each registered shareholder of the Company as at the record date that is resident in the Eligible Jurisdictions. Registered shareholders who wish to exercise their rights must forward the completed rights certificate, together with the applicable funds, to the rights agent, Alliance Trust Company, on or before the Expiry Time. Shareholders resident in the Eligible Jurisdictions who own their Common Shares through an intermediary, such as a bank, trust company, securities dealer or broker, will receive materials and instructions from their intermediary. Rights certificates will not be issued and forwarded to registered holders of Common Shares who are not resident in the Eligible Jurisdictions. Beneficial shareholders of the Company not resident in an Eligible Jurisdiction may also be restricted from participating in the Rights Offering. Shareholders of the Company who reside outside of the Eligible Jurisdictions should review the Circular for information respecting their rights.

The Company understands that certain directors and officers of the Company who own Common Shares intend to exercise their rights to purchase Units under the Rights Offering.

The Company currently has 83,119,155 Common Shares outstanding. A maximum of 83,119,155 Units will be issued under the Rights Offering. If all the rights issued are validly exercised, the offering will raise gross proceeds of approximately \$1,662,383.10, the net proceeds of which will be used make strategic investments that will grow the value of the Company's asset portfolio and for general corporate purposes. See the Circular for additional information.

The completion of the Rights Offering is not subject to FNR receiving any minimum amount of subscriptions. The Company has not entered into any standby guarantee with any party in respect of the Rights Offering.

The Rights Offering is subject to regulatory approval, including the approval of the TSXV. The Company has

obtained conditional approval from the TSXV.
