04.11.2022 | [CNW](#)

VANCOUVER, Nov. 4, 2022 - [Great Panther Mining Ltd.](#) (OTCPK: GPLDK) ("Great Panther" or the "Company") announces that the Supreme Court of British Columbia (the "Court"), on application of the Company, has granted an extension of the stay of proceedings under the Companies' Creditors Arrangement Act ("CCAA") to December 16, 2022, and has approved the previously announced Share Purchase Agreement (the "SPA") between Great Panther and [Newrange Gold Corp.](#) ("Newrange"). The Company also announces a senior management change.

On October 4, 2022, the Supreme Court of British Columbia (the "Court") pronounced an initial order (the "Initial Order") converting the Company's restructuring proceedings under the Bankruptcy and Insolvency Act (Canada) (the "NOI Proceedings") to the more flexible restructuring proceedings under the Companies' Creditors Arrangement Act (Canada) ("CCAA"). The order granted November 3, 2022, extends the stay of proceedings and other relief granted in the Initial Order, as amended and restated up to and including December 16, 2022 (the "Stay"), on which date the Company will return before the Court to seek, among other things, an extension of the Stay. During the Stay, the Company will launch a Sale Investment and Solicitation Process, or "SISP," which has been announced via a separate news release.

In addition to granting the Stay, the Court authorized the completion of the SPA, pursuant to which the Company has agreed to sell Great Panther Peru Holdings Ltd. and Great Panther Silver Peru S.A.C. (the "Subsidiaries"), which together indirectly own 100% of the Coricancha Mine in Peru, on and subject to the terms and conditions set forth therein. Under the terms of the Share Purchase Agreement, Newrange has agreed to acquire the Subsidiaries for a total purchase price of US\$750,000, payable in cash. Completion of the transaction remains subject to certain closing conditions, including, but not limited to, receipt by Newrange of the approval of the TSX Venture Exchange.

Separately, the Company also announced that Fernando Cornejo has resigned as Chief Operating Officer of the Company, effective October 31, 2022. Mr. Cornejo joined Great Panther in July 2019 and became Chief Operating Officer in July 2021. Although mining activities have ceased at the Tucano Mine site, the processing plant continues to operate, processing existing stockpiles and spent ore. The local management team is leading these activities with the oversight of Sandra Daycock, President and CEO of the Company.

Pursuant to the Initial Order, Alvarez & Marsal Canada Inc. was appointed as monitor in the CCAA Proceedings. A copy of the Initial Order and all materials related thereto, as well as any other information regarding the CCAA proceedings, are available on the court-appointed monitor's website at <https://www.alvarezandmarsal.com/GPR>.
