("Cementation"), with respect to Cementation's claim against the Company issued under the Construction Lien Act (Ontario), seeking payment of approximately \$7,436,500 for certain services and materials provided to the Company under a contract between the parties dated March 2, 2017. Assuming satisfaction of all conditions set out in the Minutes of Settlement, Gowest will receive a full and final release from Cementation and the lien registered on title to the Company's Bradshaw Gold Deposit will be discharged.

Dan Gagnon, President and Chief Executive Officer of Gowest, added, "Today's announcement is great news for Gowest and its shareholders. In settling this claim with Cementation, including the assignment of the outstanding debt on terms favourable to Gowest, the Company is one more major step closer to being able to restart mining activities at its 100% owned Bradshaw Gold Deposit and enabling the Company to continue to move towards production."
