

Nevada Exploration Announces Board Change

21.08.2023 | [GlobeNewswire](#)

VANCOUVER, Aug. 21, 2023 - [Nevada Exploration Inc.](#) ("NGE" or the "Company") (TSX-V:NGE; OTCQB:NVDEF) announces with great respect and gratitude the retirement of Ms. Nancy Richter from the Board of Directors.

Ms. Richter's significant experience in Carlin-type gold deposits has been invaluable during her tenure as Director and the Company is fortunate that she will continue to provide guidance and expertise in a consulting role going forward.

About Nancy Richter

Ms. Richter is an economic geologist with more than 25 years experience exploring for and developing Carlin-type gold projects in Nevada. From 2005 to 2020, Ms. Richter was a senior member of Barrick Gold's exploration team, managing exploration at two of Barrick's major districts as Chief Exploration Geologist, Turquoise Ridge (2013-2015) and Chief Exploration Geologist, Cortez (2015-2017), then later leading all US exploration as US Exploration Manager (2017-2020). Prior to joining Barrick, Ms. Richter worked as an exploration and mine geologist for a number of other companies, including as a Project Geologist for Newmont at the Post/Betze Mine on the Carlin trend. Ms. Richter holds an MS in Economic Geology from the University of Arizona.

About Nevada Exploration Inc.

NGE is applying modern technology to systematically explore for the undiscovered second half of Nevada's gold endowment waiting to be uncovered within Nevada's valley basins. NGE is advancing a portfolio of gold exploration projects, primarily focused on three district-scale Carlin-type gold projects, including its flagship South Grass Valley project, located near the Cortez Complex of Nevada Gold Mines.

Cautionary Statement on Forward-Looking Information:

This news release contains "forward-looking information" and "forward-looking statements" (collectively, "forward-looking information") within the meaning of applicable securities laws, including, without limitation, expectations, beliefs, plans, and objectives regarding projects, potential transactions, and ventures discussed in this release.

In connection with the forward-looking information contained in this news release, the Company has made numerous assumptions, regarding, among other things, the assumption the Company will continue as a going concern and will continue to be able to access the capital required to advance its projects and continue operations. While the Company considers these assumptions to be reasonable, these assumptions are inherently subject to significant uncertainties and contingencies.

In addition, there are known and unknown risk factors which could cause the Company's actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information contained herein. Among the important factors that could cause actual results to differ materially from those indicated by such forward-looking statements are the risks inherent in mineral exploration, the need to obtain additional financing, environmental permits, the availability of needed personnel and equipment for exploration and development, fluctuations in the price of minerals, and general economic conditions.

A more complete discussion of the risks and uncertainties facing the Company is disclosed in the Company's continuous disclosure filings with Canadian securities regulatory authorities at www.sedar.com. All forward-looking information herein is qualified in its entirety by this cautionary statement, and the Company disclaims any obligation to revise or update any such forward-looking information or to publicly announce the result of any revisions to any of the forward-looking information contained herein to reflect future results, events or developments, except as required by law.
