The securities offered have not been registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or any state securities laws and may not be offered or sold absent registration or compliance with an applicable exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws.

The Company anticipates that current insiders of the Company may participate in the Offering. Subject to Exchange approval, finder's fees may be paid to persons who introduce the Company to investors. As required by the Investment Dealer Exemption, the Company confirms that there are no material facts or material changes that have not been disclosed.
