

G Mining Ventures Named to 2024 OTCQX Best 50

18.01.2024 | [CNW](#)

TSX: GMIN
OTCQX: GMINF

BROSSARD, Jan. 18, 2024 - [G Mining Ventures Corp.](#) ("GMIN" or the "Corporation" or "us") (TSX: GMIN) (OTCQX: GMINF) is pleased to announce it has been named to the 2024 OTCQX® Best 50, a ranking of top performing companies traded on the OTCQX Best Market last year.

The OTCQX Best 50 is an annual ranking of the top 50 U.S. and international companies traded on the OTCQX market. The ranking is calculated based on an equal weighting of one-year total return and average daily dollar volume growth in the previous calendar year. Companies in the 2024 OTCQX Best 50 were ranked based on their performance in 2023.

Louis-Pierre Gignac, President & Chief Executive Officer, commented: "We appreciate this tremendous recognition of the GMIN team's efforts at creating value for our fellow stakeholders. 2024 has been off to a great start for GMIN, with the ahead of schedule completion of our powerline project, the graduation to the TSX, and our flagship Tocantinzinho Gold Project now at 76% complete. I can't wait to lead our team to achieve commercial production at Tocantinzinho in the second half of 2024, and continue to grow GMIN into the next leading intermediate gold producer.

The OTCQX Best Market offers transparent and efficient trading of established, investor-focused U.S. and global companies. To qualify for the OTCQX market, companies must meet high financial standards, follow best practice corporate governance, and demonstrate compliance with applicable securities laws.

Cautionary Statement on Forward-Looking Information

All statements, other than statements of historical fact, contained in this press release constitute "forward-looking information" and "forward-looking statements" within the meaning of certain securities laws and are based on expectations and projections as of the date of this press release. Forward-looking statements contained in this press release include, without limitation, those featured in (i) the comments quoted from GMIN's Chief Executive Officer ("CEO"); and (ii) more generally, the section entitled "About G Mining Ventures Corp."

Forward-looking statements are based on expectations, estimates and projections as of the time of this press release. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by the Corporation as of the time of such statements, are inherently subject to significant business, economic and competitive uncertainties and contingencies. These estimates and assumptions may prove to be incorrect. Such assumptions include, without limitation, those underlying the CEO's comments as well as the contents of the above section entitled "About G Mining Ventures Corp."

Many of these uncertainties and contingencies can directly or indirectly affect, and could cause, actual results to differ materially from those expressed or implied in any forward-looking statements. There can be no assurance that, notably but without limitation, GMIN will (i) bring its Tocantinzinho Project to commercial production in the second half of 2024, or at all, and (ii) grow into the next leading intermediate gold producer .

By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and risks exist that estimates, forecasts, projections and other forward-looking statements will not be achieved or that assumptions do not reflect future experience. Forward-looking statements are provided for the purpose of providing information about management's expectations and plans relating to the future. Readers are cautioned not to place undue reliance on these forward-looking statements as a number of important risk factors and future events could cause the actual outcomes to differ materially from the beliefs, plans, objectives, expectations, anticipations, estimates, assumptions and intentions expressed in such forward-looking statements. All of the forward-looking statements made in this press release are qualified by these cautionary statements and those made in the Corporation's other filings with the securities regulators of Canada including, but not limited to, the cautionary statements made in the relevant sections of the Corporation's (i) Annual Information Form dated April 28, 2023, for the financial year ended December 31, 2022, and (ii) Management Discussion & Analysis. The Corporation cautions that the foregoing list of factors that may affect future results is not exhaustive, and new, unforeseeable risks may arise from time to time. The Corporation disclaims any intention or obligation to update or revise any forward-looking statements or to explain any material difference between subsequent actual events and such forward-looking statements, except to the extent required by applicable law.
