14.02.2024 | [ACCESS Newswire](#)

VANCOUVER, Feb. 14, 2024 - [Universal Copper Ltd.](#) ("Universal Copper" or the "Company") is pleased to announce that it has entered into a definitive arrangement agreement (the "Arrangement Agreement") with [Vizsla Copper Corp.](#) ("Vizsla Copper") pursuant to which Vizsla Copper will, subject to the terms and conditions of the Arrangement Agreement, acquire 100% of the issued and outstanding common shares in the capital of the Company by way of a court-approved plan of arrangement (the "Arrangement"). Vizsla Copper will issue 0.23 common shares in the capital of Vizsla Copper (each whole common share, a "Vizsla Copper Share") to shareholders of the Company ("Shareholders") in exchange for each common share of the Company (a "UNV Share"). The purchase price represents a 60% premium to the 10-day volume weighted price of \$0.015 per UNV Share on February 12, 2024.

Clive Massey, CEO of Universal Copper commented: "This is an exciting opportunity for Universal Copper and our Shareholders. The proposed acquisition of Universal Copper by Vizsla Copper will provide exposure to an exciting, copper focused, project portfolio, a dedicated technical team, and a stronger capital markets presence. We encourage all Universal Copper shareholders to vote in favour of the Arrangement."

Arrangement Overview

The Arrangement will be carried out by way of a court-approved plan of arrangement under the provisions of the Business Corporations Act (British Columbia). Under the terms of the Arrangement, Shareholders will receive 0.23 of a Vizsla Copper Share for each UNV Share held (such exchange ratio being hereinafter referred to as the "Exchange Ratio") resulting in the issuance of approximately 32.7 million Vizsla Copper Shares in exchange for 142 million UNV Shares. Additionally, the Company's outstanding stock options ("Options") will be exchanged for options of Vizsla Copper and the Company's outstanding warrants will become exercisable to acquire Vizsla Copper Shares, in amounts and at exercise prices adjusted in accordance with the Exchange Ratio.

Completion of the Arrangement is subject to approval by the Supreme Court of British Columbia and the affirmative vote of the Company's securityholders at a special meeting that is expected to be held in April 2024 (the "Meeting"). At the Meeting, the Arrangement will require approval by (i) at least two-thirds (66⅔%) of the votes cast by Shareholders present in person or represented by proxy and entitled to vote at the Meeting; (ii) at least two-thirds (66⅔%) of the votes cast by Shareholders and holders of Options (the "Securityholders"), present in person or represented by proxy and entitled to vote at the Meeting, voting together as a single class; and (iii) if, and to the extent required, a majority of the votes cast by Shareholders present in person or represented by proxy and entitled to vote at the Meeting excluding UNV Shares held by interested parties as defined in Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions.

Pursuant to the terms and conditions of the Arrangement Agreement, the Arrangement is also subject to customary conditions, including support of the transaction by directors and officers of the Company, and receipt of applicable regulatory and third-party approvals and consents as may be required to effect and complete the transaction, including approval of the TSX Venture Exchange.

The board of directors of the Company (the "Board"), after receiving the unanimous recommendation of the special committee of the Board (the "Special Committee") created to consider matters relating to the Arrangement, has unanimously determined that the Arrangement is fair to Shareholders and is in the best interests of the Company. Accordingly, the Board approved the Arrangement and recommends that Securityholders vote in favour of the Arrangement. In making its recommendation, the Board considered a number of factors, including the recommendation of the Special Committee following its receipt of a fairness opinion from Evans & Evans, Inc. which determined that the consideration offered to Shareholders pursuant to the Arrangement is fair, from a financial point of view, to Shareholders.

Directors and officers of the Company and certain significant shareholders of the Company (who hold in the aggregate approximately 20.7% of the issued and outstanding UNV Shares on a non-diluted basis) have entered into support agreements with Vizsla Copper pursuant to which they have agreed, among other things, to support the transaction and vote in favour of the Arrangement.

In connection with the Arrangement, Universal Copper entered into a finder's fee agreement with an arm's-length party. As compensation for the finder's introduction of Universal Copper to Vizsla Copper, Universal Copper will issue to the finder 2,173,913 UNV Shares which, upon closing of the Arrangement and in accordance with the Exchange Ratio, will be exchanged for 500,000 Vizsla Copper Shares. The finder's fee is subject to approval of the TSX Venture Exchange.

The terms of the Arrangement will be described in further detail in the Management Information Circular of the Company to be filed with regulatory authorities and mailed to Securityholders in March 2024 in accordance with applicable securities laws.

Securityholders and other interested parties are advised to read the materials relating to the proposed Arrangement, including the Arrangement Agreement that will be filed by the Company with securities regulatory authorities in Canada when they become available.
