

Lithium Corporation Appoints New Exploration Manager

29.02.2024 | [ACCESS Newswire](#)

ELKO, February 29, 2024 - [Lithium Corp.](#) (OTCQB:LTUM) ("LTUM" or "the Company"), a North American exploration mining company focused on energy metals for the growing energy storage sector and high-tech industries, is pleased to advise investors the Company recently expanded its internal geological expertise and knowledge with the engagement of Ken Tullar, CPG, in the role of Exploration Manager, [Lithium Corp.](#).

Mr. Tullar brings more than 35 years of professional mineral exploration & development experience in western North America, from Alaska to Mexico, with an emphasis on Nevada. His extensive background in geology, structure, geochemistry, hydrochemistry and geophysics, and specific knowledge of the Great Basin, makes him a valued asset as [Lithium Corp.](#) charts a path to expanding and developing its portfolio of lithium and other energy metals prospects. Tom Lewis, President & CEO, [Lithium Corp.](#) commented, "We've been talking to Ken for quite some time with respect to coming to work with [Lithium Corp.](#) and are very pleased he agreed to come over and be part of the team."

[Lithium Corp.](#) President & CEO Tom Lewis will be available to answer shareholder and investor questions and discuss the status of exploration initiatives on the Company's Nevada and British Columbia prospects at the Prospectors and Developers Association of Canada (PDAC) Annual Convention March 3 - 6, 2024 in Toronto, Canada. Please contact the Company at info@lithiumcorporation.com in advance to arrange.

Notice Regarding Forward-Looking Statements

This current report contains "forward-looking statements," as that term is defined in Section 27A of the United States Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Statements in this press release which are not purely historical are forward-looking statements and include any statements regarding beliefs, plans, expectations or intentions regarding the future.

Actual results could differ from those projected in any forward-looking statements due to numerous factors. Such factors include, among others, the inherent uncertainties associated with mineral exploration and difficulties associated with obtaining financing on acceptable terms. We are not in control of minerals prices, and these could vary to make development uneconomic. These forward-looking statements are made as of the date of this news release, and we assume no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements. Although we believe that the beliefs, plans, expectations and intentions contained in this press release are reasonable, there can be no assurance that such beliefs, plans, expectations or intentions will prove to be accurate. Investors should consult all of the information set forth herein and should also refer to the risk factors disclosure outlined in our most recent annual report for our last fiscal year, our quarterly reports, and other periodic reports filed from time-to-time with the Securities and Exchange Commission.
