

Silver Crown Royalties Inc. Announces Updates to Non-Brokered Private Placement

18.02.2025 | [The Newswire](#)

[Silver Crown Royalties Inc.](#) ("Silver Crown", "SCRi", the "Corporation", or the "Company") is pleased to provide an update on its non-brokered offering (the "Offering") of units ("Units") for gross proceeds of up to C\$3,000,000 that was previously announced on February 6, 2025.

The Company is amending the terms of the Offering so that each Unit will be priced at C\$6.50 ("New Offering") and will now issue up to 461,538 Units for gross proceeds of C\$3,000,000. Each New Unit will consist of one common share ("Common Share") and one common share purchase warrant ("Warrant"). Each Warrant will be exercisable to acquire one (1) additional New Common Share at an exercise price of C\$13.00 for a period of three years from the date of the closing of the New Offering (the "Expiry Date").

Proceeds of the New Offering will be used to fund the second tranche of its silver royalty acquisition on the Igor 4 project in Peru as well as a general and administrative expenses of SCRi. All securities issued pursuant to the New Offering are subject to a statutory hold period of four months plus one day from the date of issuance, in accordance with applicable securities legislation. Closing of the New Offering will be subject to customary conditions precedent, including the prior approval of Cboe Canada Inc.

Peter Bures, Silver Crown's Chief Executive Officer commented, "As we continue our outreach during the course of the financing, we have received a substantial level of interest at these revised terms. We continue to build the book and expect it to be fully subscribed in a timely manner. The additional funds will allow us to close the second tranche of the PPX royalty transaction and bulk up our balance sheet for additional smaller transactions."

ABOUT SILVER CROWN ROYALTIES INC.

Founded by industry veterans, SCRi is a publicly traded, silver royalty company. SCRi currently has four silver royalties of which three are revenue-generating. Its business model presents investors with precious metals exposure allowing for a natural hedge against currency devaluation while minimizing the negative impact of cost inflation associated with production. SCRi endeavors to minimize the economic impact on mining projects while maximizing returns for shareholders.

FORWARD-LOOKING STATEMENTS

This release contains certain "forward looking statements" and certain "forward-looking information" as defined under applicable Canadian and U.S. securities laws. Forward-looking statements and information can generally be identified by the use of forward-looking terminology such as "may", "will", "should", "expect", "intend", "estimate", "anticipate", "believe", "continue", "plans" or similar terminology. The forward-looking information contained herein is provided for the purpose of assisting readers in understanding management's current expectations and plans relating to the future. Readers are cautioned that such information may not be appropriate for other purposes. Forward-looking statements and information include but are not limited to: proceeds of the Offering will be used to fund the Second Tranche as well as a general and administrative expenses of SCRi; all securities issued pursuant to the Offering are subject to a statutory hold period of four months plus one day from the date of issuance, in accordance with applicable securities legislation; closing of the Offering will be subject to customary conditions precedent, including the prior approval of Cboe; "We continue to build the book and expect it to be fully subscribed in a timely manner. The additional funds will

allow us to close the second tranche of the PPX royalty transaction and bulk up our balance sheet for additional smaller transactions." Forward-looking statements and information are based on forecasts of future results, estimates of amounts not yet determinable and assumptions that, while believed by management to be reasonable, are inherently subject to significant business, economic and competitive uncertainties and contingencies. Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual actions, events or results to be materially different from those expressed or implied by such forward-looking information, including but not limited to: the impact of general business and economic conditions; the absence of control over mining operations from which SCRI will purchase gold and other metals or from which it will receive royalty payments and risks related to those mining operations, including risks related to international operations, government and environmental regulation, delays in mine construction and operations, actual results of mining and current exploration activities, conclusions of economic evaluations and changes in project parameters as plans continue to be refined; accidents, equipment breakdowns, title matters, labor disputes or other unanticipated difficulties or interruptions in operations; SCRI's ability to enter into definitive agreements and close proposed royalty transactions; the inherent uncertainties related to the valuations ascribed by SCRI to its royalty interests; problems inherent to the marketability of gold and other metals; the inherent uncertainty of production and cost estimates and the potential for unexpected costs and expenses; industry conditions, including fluctuations in the price of the primary commodities mined at such operations, fluctuations in foreign exchange rates and fluctuations in interest rates; government entities interpreting existing tax legislation or enacting new tax legislation in a way which adversely affects SCRI; stock market volatility; regulatory restrictions; liability, competition, the potential impact of epidemics, pandemics or other public health crises on SCRI's business, operations and financial condition, loss of key employees. SCRI has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers are advised not to place undue reliance on forward-looking statements or information. SCRI undertakes no obligation to update forward-looking information except as required by applicable law. Such forward-looking information represents management's best judgment based on information currently available.

This document does not constitute an offer to sell, or a solicitation of an offer to buy, securities of the Company in Canada, the United States or any other jurisdiction. Any such offer to sell or solicitation of an offer to buy the securities described herein will be made only pursuant to subscription documentation between the Company and prospective purchasers. Any such offering will be made in reliance upon exemptions from the prospectus and registration requirements under applicable securities laws, pursuant to a subscription agreement to be entered into by the Company and prospective investors. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, the reader is cautioned not to place undue reliance on forward-looking statements.

CBOE CANADA DOES NOT ACCEPT RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS NEWS RELEASE.
