[F4 Uranium Corp.](#) ("F4 " or the "Company") is pleased announce that Marc T. Bamber has been appointed to the Board of Directors, effective immediately.

Mr. Bamber is a Global Corporate Financier, with over 25 years' experience in the Hedge Fund Sector, Capital Markets, Private & Institutional Investments, Investor Communications & Marketing. Mr. Bamber was a core member of the multiple award-winning RAB Special Situations Fund which grew 50x in five years to approximately US\$2.8 billion in assets under management (AUM). Mr. Bamber is very active in the international markets, working with several Toronto and London Listed companies, as well as pre-IPO private companies in senior management, director, and advisory roles.

The Company further advises that Mr. Terrence Osier has resigned as a director for the corporation effective as at March 11, 2025.

"We sincerely thank Mr. Osier for his valuable contributions and support as a director during his tenure. We are also pleased to welcome Mr. Bamber to the F4 Board of Directors. With his experience and expertise in marketing and investor communications in the uranium sector, we look forward to Mr. Bamber's contributions in supporting the Board and management team in achieving F4's vision of becoming a leading uranium explorer." said Raymond Ashley, CEO & Director. "F4 stands apart with a technical team that is responsible for three major uranium discoveries along with a strong portfolio of properties in the Athabasca Basin"

"I'm delighted to be joining the F4 Uranium Corp Board and become part of this multi award winning uranium exploration team, and look forward to playing my part in pursuing more such success." commented Marc Bamber, Director. "I have had the pleasure of a close working relationship with the Fission team since 2004, both as an institutional and personal investor." he continued.

About F4 Uranium Corp:

F4 is a uranium project generator and exploration company, focusing on projects in the Athabasca Basin, home to some of the world's largest highgrade uranium discoveries. F4 currently has 16 projects in the Athabasca Basin, several of which are near large uranium discoveries including Triple R, Arrow and Hurricane. F4 has entered into option agreements on some of its properties which call for the applicable optionors to make cash payments and issue shares to F4, as well as to incur exploration expenditures on the properties in which they have been granted the option to earn an interest.

On Behalf of the Board.

"Ray Ashley"

Forward-Looking Statements

This news release contains "forward-looking statements" within the meaning of Canadian securities legislation. Such forward-looking statements include, but are not limited to: the intended use of proceeds from the equity financing; the listing of F4's shares on the TSX Venture Exchange; and the timing of thereof. Such forward-looking statements or information are based on a number of assumptions which may prove to be incorrect. Assumptions have been made regarding, among other things: conditions in general economic and financial markets; timing and amount of exploration expenditures; and effects of regulation by governmental agencies. The actual results could differ materially from those anticipated in these forward-looking statements as a result of risk factors including: the availability of funds; the timing and content of work programs; results of exploration activities of mineral properties; the interpretation of drilling results and other geological data; and general market and industry conditions. Forward-looking statements are based on the expectations and opinions of the Company's management on the date the statements are made. The assumptions used in the preparation of such statements, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date the statements were made. The Company undertakes no obligation to update or revise any forward-looking statements included in this news release if these beliefs, estimates and opinions or other circumstances should change, except as otherwise required by applicable law.
