

Gold'n Futures Mineral Corp. Announces Property Acquisitions and Assignment of Claims

11.07.2025 | [The Newswire](#)

[Gold'n Futures Mineral Corp.](#) (CSE: FUTR) (FSE: G6M), (OTC: GFTRF) (the "Company" or "Gold'n Futures") is pleased to announce the completion of a strategic corporate restructuring involving the acquisition of six British Columbia companies and the assignment of certain non-core mineral claims in Newfoundland and Labrador.

The Company has acquired all of the issued and outstanding shares of six British Columbia-incorporated companies: 1491907 BC Ltd., 1491909 BC Ltd., 1491910 BC Ltd., 1491913 BC Ltd., 1491917 BC Ltd., and 1491919 BC Ltd. (collectively, the "BC Companies"). Each of the BC Companies is the registered owner of mineral claims located in south-central British Columbia (the "BC Claims"). As a result of these transactions, Gold'n Futures now holds 100% of the legal and beneficial interests in the BC Claims. The claims, originally staked in August 2024, were transferred to the Company in exchange for nominal consideration.

The BC Claims acquired through the BC Companies comprise multiple mineral title areas located in the heart of British Columbia's copper-porphyry belt. These include key positions near Rock-Creek Canyon and the Eagle Plains rare-earth extension zone. The claims are strategically situated in road-accessible areas with historical and recent exploration indicators, including porphyry-style copper-gold potential and rare-earth mineralization.

In a concurrent transaction, the Company has entered into an Assignment and Release Agreement with Stephen Wilkinson, a director of the Company, pursuant to which the Company has assigned to Mr. Wilkinson the mineral license known as the Brady Claims (License No. 031339M) located in Newfoundland and Labrador. In exchange, Mr. Wilkinson has agreed to fully release and discharge the Company from all amounts owing under outstanding shareholder loans and other indebtedness totaling \$220,537.59. This transaction eliminates all related-party debt owing to Mr. Wilkinson and represents a significant step toward strengthening the Company's balance sheet and simplifying its capital structure.

The Board of Directors has unanimously approved both transactions. No finder's fees were paid in connection with the acquisitions or the assignment, and the transactions do not result in any change of control of the Company.
