

# Gold'n Futures Mineral Announces Correction to Audited Financial Statements for Year Ended December 31, 2024

18.07.2025 | [The Newswire](#)

[Gold'n Futures Mineral Corp.](#) (CSE: FUTR) (FSE: G6M), (OTC: GFTRF) (the "Company" or "Gold'n Futures") announces a correction to its audited financial statements for the fiscal year ended December 31, 2024 (the "Financial Statements"), which were previously filed and publicly released on July 14, 2025.

During a subsequent internal review, the Company identified an inadvertent typographical error in the presentation of certain numerical values in the Financial Statements. Specifically, the figures disclosed under the heading "Consolidated Statements of Loss and Comprehensive Loss" on page 4: "41,602" and "1,598" were mistakenly presented as positive values. These amounts should have been shown in parentheses to reflect negative balances, as "(41,602)" and "(1,598)", respectively.

These corrections pertain solely to the presentation of the figures and do not impact the underlying accounting treatment, the overall financial position of the Company, or the results of operations as previously reported. Nevertheless, the Company is issuing this statement to ensure full transparency and uphold its commitment to accurate financial reporting.

The Company regrets this oversight and has implemented additional review protocols to minimize the risk of similar issues in the future.
