## **Aurion Closes C\$9.3 Million Strategic Investment**

Aurion Resources Ltd. (TSXV: AU) (OTCQX: AIRRF) ("Aurion" or the "Company") announces the closing of the previously announced non-brokered private placement (the "Offering") with a strategic investor (the "Strategic Investor") that resulted in the Strategic Investor holding, after giving effect to the Offering, approximately 6.88% of the issued and outstanding common shares of Aurion ("Common Shares") on a non-diluted basis and approximately 9.98% of the issued and outstanding Common Shares on a partially-diluted basis. The Strategic Investor subscribed for 11,060,000 units (the "Units") of the Company at a price of C\$0.84 per Unit for total consideration of C\$9,290,400. Each Unit is comprised of one Common Share and one-half of one Common Share purchase warrant of Aurion (each whole Common Share purchase warrant, a "Warrant"). Each Warrant entitles the holder to acquire one Common Share at a price of C\$1.08 for a period of three years following the closing date of the Offering, subject to acceleration in certain circumstances. At least 75% of the net proceeds of the Offering will be used to advance exploration and technical work programs on the Company's 100% owned Risti project.

Concurrently with the closing of the Offering, the Strategic Investor and Aurion entered into an investor rights agreement, pursuant to which the Strategic Investor was granted certain rights, provided the Strategic Investor maintains certain ownership thresholds in the Company, including: (i) the right to participate in future equity financings and top-up its holdings in the event of dilutive issuances in order to maintain its pro rata ownership in the Company at the time of such financing or acquire up to a 9.99% ownership interest, on a partially-diluted basis, in the Company; and (ii) the right (which the Strategic Investor has no present intention of exercising) to nominate one person (and in the case of an increase in the size of the board of directors of Aurion to eight or more directors, two persons) to the board of directors of Aurion.

The Common Shares issued to the Strategic Investor pursuant to the Offering are subject to a four month and one day hold period, in accordance with applicable securities laws.

The securities described herein have not been, and will not be, registered under the U.S. Securities Act, as amended, or any state securities laws, and accordingly, may not be offered or sold within the United States or to US persons except in compliance with the registration requirements of the U.S. Securities Act and applicable state securities requirements or pursuant to exemptions therefrom. This press release does not constitute an offer to sell or a solicitation to buy any securities in any jurisdiction.
