10.09.2025 | [Newsfile](#)

[EMX Royalty Corp.](#) (NYSE American: EMX) (TSXV: EMX) (the "Company" or "EMX") is pleased to provide an update with respect to the previously announced sale of its Nordic operational platform (the "Transaction") to [First Nordic Metals Corp.](#) (TSXV: FNM) ("FNM"), a current partner and operator on multiple EMX royalty properties in Sweden and Finland (see the Company's News Release dated June 2, 2025). This strategic divestment includes EMX's regional infrastructure, exploration equipment, and employees across the Nordic countries.

The Transaction is a non-arm's length transaction pursuant to the policies of the TSX Venture Exchange ("TSXV") as a result of the parties having a director in common and is therefore subject to acceptance of the TSXV. The Transaction has been conditionally accepted by the TSXV and the Company is proceeding with the satisfaction of the conditions required for the final acceptance of the Transaction which are standard for a transaction of this nature. Additionally, completion of the Transaction remains subject to clearance pursuant to the Swedish Foreign Direct Investment Act, which process is expected to be completed prior to the end of October 2025.
