

LaFleur Minerals Closes Fully Subscribed LIFE Offering and Announces Investor Relations Partnerships

10.09.2025 | [Newsfile](#)

Vancouver, September 10, 2025 - [LaFleur Minerals Inc.](#) (CSE: LFLR) (FSE: 3WK0) ("LaFleur Minerals" or the "Company" or "Issuer") is pleased to announce that, further to its news releases dated July 30, 2025, and August 29, 2025, the Company has completed its previously announced non-brokered private placement of units of the Company (the "LIFE Units") at a price of \$0.48 per Unit under the Listed Issuer Financing Exemption (as defined herein) for gross proceeds of \$2,880,000 (the "LIFE Offering"). The Company also intends to close its previously announced charity flow-through offering up to 3,750,000 charity flow-through units of the Company at a price of \$0.69 per charity flow-through unit for gross proceeds of up to \$2,587,500.

Due to additional demand to participate in the LIFE Offering, the Company intends to also complete a non-brokered private placement on similar terms as the LIFE Offering for up to \$700,000 on the same terms as the LIFE offering.

FMI Securities Inc. ("FMI") acted as a special advisor and selling group member on this LIFE Offering. FMI is an Exempt Market Dealer and a subsidiary of the FMI Capital Partners Group which operates in Canada, the US (through FINRA dealer FM Global Partners), and globally through its affiliated partners.

Each Unit consists of one common share in the capital of the Company (a "LIFE Share") and one transferrable common share purchase warrant (a "LIFE Warrant"). Each Warrant entitled the holder to purchase one additional common share at a price of \$0.75 for a period of 24 months from the date of issuance. The Warrants are subject to an accelerated expiry upon thirty (30) business days' notice from the Company in the event the closing price of the Company's common shares on the Canadian Securities Exchange (the "CSE") is equal to or above a price of \$0.90 for fourteen (14) consecutive trading days any time after closing of the Offering.

Subject to compliance with applicable regulatory requirements and in accordance with National Instrument 45-106 - Prospectus Exemptions ("NI 45-106"), the LIFE Offering was made to purchasers' resident in all provinces of Canada, except Quebec, pursuant to the listed issuer financing exemption under Part 5A of NI 45-106 (the "Listed Issuer Financing Exemption"). The securities offered under the Listed Issuer Financing Exemption are not subject to a hold period in accordance with applicable Canadian securities laws.

In connection with the Offering, the Company paid an aggregate cash finder fee of \$144,651 and issued an aggregate of 301,355 non-transferable finders' warrants (each, a "Finder's Warrant"). Each Finder's Warrant entitles the holder to acquire one common share in the capital of the Company at a price of \$0.75 each for a period of 24 months from the date of issuance, all in accordance with the policies of the CSE.

The gross proceeds from the LIFE Offering will be used for the advancement of exploration initiatives at the Company's Swanson Gold Project and for operational purposes at the Beacon Gold Mill, in addition to working capital and general corporate expenses.

The subscribers in the LIFE Offering included an executive officer of the Company (the "Insider") who subscribed for 7,500 LIFE Units for aggregate gross proceeds of \$3,600 to the Company. The issuance of LIFE Units to the Insider constitutes a "related party transaction" as defined in Multilateral Instrument 61-101 - Protection of Minority Securityholders in Special Transactions ("MI 61-101"). The Company is relying on the exemption from valuation requirement and minority approval pursuant to subsections 5.5(a) and 5.7(1)(a) of MI 61-101, respectively, for the Insider participation in the LIFE Offering, as the value of the LIFE Units subscribed for does not represent more than 25% of the Company's market capitalization, as determined in accordance with MI 61-101.

About LaFleur Minerals Inc.

LaFleur Minerals Inc. (CSE: LFLR) (FSE: 3WK0) is focused on the development of district-scale gold projects in the Abitibi Gold Belt near Val-d'Or, Québec. Our mission is to advance mining projects with a laser focus on our resource-stage Swanson Gold Deposit and the Beacon Gold Mill, which have significant potential to deliver long-term value. The Swanson Gold Project is approximately 18,304 hectares (183 km²) in size and includes several prospects rich in gold and critical metals previously held by Monarch Mining, Abcourt Mines, and Globex Mining. LaFleur has recently consolidated a large land package along a major structural break that hosts the Swanson, Bartec, and Jolin gold deposits and several other showings which make up the Swanson Gold Project. The Swanson Gold Project is easily accessible by road allowing direct access to several nearby gold mills, further enhancing its development potential. LaFleur Mineral's fully refurbished and permitted Beacon Gold Mill is capable of processing over 750 tonnes per day and is being

considered for processing mineralized material at Swanson and for custom milling operations for other nearby gold projects.
