15.09.2025 | [Newsfile](#)

[Sanatana Resources Inc.](#) (TSXV: STA) ("Sanatana" or the "Company") appoints Timothy Barry, an experienced mining executive, to its advisory board.

"Sanatana is pleased to welcome Tim Barry to its Advisory Board," said Peter Miles, CEO of Sanatana. "With over 20 years of international geological and executive experience spanning Central Asia, Africa, the Americas, Canada, and Australia, Tim's geological background and experience in running Junior Exploration companies will be invaluable as we advance our projects in one of the world's most promising and emerging gold belts."

Mr. Barry is an accomplished geologist and mining executive with more than 20 years of international experience. He sits on the board of several public companies and currently serves as the Chief Executive Officer of Arras Minerals and Silver Bull Resources.

Earlier in his career, Mr. Barry was Chief Geologist for Dome Ventures, where he managed exploration programs and oversaw in-country operations across West and Central Africa. His work as a geologist has taken him across the globe, including Mongolia and Central Asia, Mexico and Central America, West and Central Africa, Canada, and Australia.

Mr. Barry holds a Bachelor of Science degree from the University of Otago in Dunedin, New Zealand, and is a Chartered Professional Geologist (CPAusIMM). He is based full-time in Kazakhstan.

## Cautionary Statements and "Forward-Looking" Information

This news release contains forward looking statements within the meaning of applicable securities laws. The use of any of the words "anticipate", "plan", "continue", "expect", "estimate", "objective", "may", "will", "project", "should", "predict", "potential" and similar expressions are intended to identify forward-looking statements. In particular, this news release contains forward-looking statements concerning the Proposed Acquisition and the Concurrent Financing, including the closing thereof.

Although the Company believes that the expectations and assumptions on which the forward-looking

statements are based are reasonable, undue reliance should not be placed on the forward-looking statements because the Company cannot give any assurance that they will prove correct. Since forward-looking statements address future events and conditions, they involve inherent assumptions, risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of assumptions, factors and risks. These assumptions and risks include, but are not limited to, assumptions and risks associated with mineral exploration generally and results from anticipated and proposed exploration programs, conditions in the equity financing markets, and assumptions and risks regarding receipt of regulatory and shareholder approvals.

Management has provided the above summary of risks and assumptions related to forward-looking statements in this press release in order to provide readers with a more comprehensive perspective on the Company's future operations. The Company's actual results, performance or achievement could differ materially from those expressed in, or implied by, these forward-looking statements and, accordingly, no assurance can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what benefits the Company will derive from them. These forward-looking statements are made as of the date of this press release, and, other than as required by applicable securities laws, the Company disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise.

Neither TSX Venture Exchange nor its Regulations Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
