30.10.2025 | [GlobeNewswire](#)

[Naughty Ventures Corp.](#) (CSE: BAD) (OTC Pink: YORKF) (FSE: 5DE) ("Naughty Ventures") and [Sorrento Resources Ltd.](#) (CSE: SRS) (OTCQB: SRSLF) ("Sorrento") announce that they have mutually agreed to revise the terms of the definitive option agreement (the "Option Agreement") dated October 15th, 2025 for the sale of up to 100% of Naughty Ventures' right, title and interest in and to certain mineral claims commonly known as the Bottom Brook rare earth element ("REE") property located in the Province of Newfoundland and Labrador (the "Bottom Brook Property").

Details of the Option Agreement

Pursuant to the terms of the Option Agreement, Naughty Ventures has granted an option (the "Option") to Sorrento to acquire up to 100% of Naughty Ventures' right, title and interest in and to the mineral claims comprising the Bottom Brook Property. The Option can be exercised by Sorrento on or prior to the third anniversary of the Option Agreement (the "Option Expiration Date") by making the cash payments, issuances of common shares in the capital of Sorrento (the "Sorrento Shares") and incurring the exploration expenditures (collectively, the "Expenditures") on or before the dates indicated in the table below. The date of closing (the "Closing Date") will be such date that is mutually agreed to by Naughty Ventures and Sorrento after satisfaction or waiver of all the conditions set forth in the Option Agreement.

Payment Date	Minimum Expenditures (CAD)	Cash Payment Amount (CAD)	Sorrento Share Issuance Amount	Earned Interest
Within 12 months from the Closing Date	\$1,000,000	Nil	9,000,000 (1)	49%
Within 24 months from the Closing Date	\$1,500,000	\$250,000 (2)	11,000,000 (2) (3)	31%
Within 36 months from the Closing Date	Nil	Nil	Number of Sorrento Shares equal to 10% of the then issued and outstanding Sorrento Shares (3)	20%

(1) The 9,000,000 Sorrento Shares are to be issued on the Closing Date.

(2) The \$250,000 cash payment and the 11,000,000 Shares are due on the date that is one (1) year from the Closing Date.

(3) Sorrento will seek to obtain shareholder approval if any of these issuances would result in Naughty owning 20.0% or more of the issued and outstanding common shares of Sorrento.

Until Sorrento issues to Naughty Ventures the number of Sorrento Shares equal to 10% of Sorrento's then total issued and outstanding Sorrento Shares to earn the last 20% of the earned interest in the Property (the "Final Interest Option"), Naughty Ventures will have a 20% free carried interest in the Property which carried interest will continue indefinitely unless Sorrento satisfies the Final Interest Option.

Sorrento will be the operator responsible for carrying out every kind of work done, or activity performed by or on behalf of Sorrento, on or in respect of the Property for the duration of the term of the Option Agreement.

Sorrento may accelerate the exercise of the Option by making the cash payments, issuing the Sorrento Shares and incurring the Expenditures prior to the Option Expiration Date.

Closing of the Option Agreement remains subject to, without limitation, Sorrento completing a financing for

minimum aggregate proceeds of \$3,000,000, receiving all necessary consents and approvals, as well as the satisfaction of customary closing conditions.

In connection with the Option Agreement, Sorrento has agreed to pay a finder's fee in an amount equal to 10% of each completed cash payment and Sorrento Share issuance due under the Option Agreement, payable in either cash or Sorrento Shares as applicable to Kluane Capital FZCO.
