

Trident Resources Engages i2i Marketing Group, LLC for Corporate Marketing and Investor Awareness Services

24.11.2025 | [GlobeNewswire](#)

Vancouver, Nov. 24, 2025 - [Trident Resources Corp.](#) (TSX-V: ROCK) (OTCQB: TRDTF) ("Trident" or the "Company") is pleased to announce the Company has entered into an agreement dated November 24, 2025 (the "Agreement") with i2i Marketing Group, LLC ("i2i") of Key West Florida, USA, whereby i2i will provide marketing and media distribution for an initial term of six (6) months commencing on November 24th, 2025. An initial fee of US\$250,000 is payable. Thereafter, the marketing agreement may continue on a month-to-month basis with supplemental expenditures agreed to by the parties for the services being rendered.

i2i will create an advertising campaign and utilize its physical marketing program strategy with the aim of increasing investor awareness through various on-line platforms and methods of engagement, including the direct mailing of advertising materials to potentially interested parties.

The Company will not issue any securities to i2i as compensation for its marketing services. As of the date hereof, to the Company's knowledge, i2i (including its directors and officers) does not own any securities of the Company and is arm's length to the Company. The Agreement is subject to the approval of the TSX Venture Exchange.

Forward-Looking Information and Statements

This news release contains "forward-looking information or statements" within the meaning of applicable securities laws, which may include, without limitation, statements that address the TSX Venture Exchange approval of the Agreement, expected results from the current drill program at Contact Lake Gold Project, other statements relating to the technical, financial and business prospects of the Company, its projects and other matters. All statements in this news release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, including the price of metals, the ability to achieve its goals, that general business and economic conditions will not change in a material adverse manner, that financing will be available if and when needed and on reasonable terms. Such forward-looking information reflects the Company's views with respect to future events and is subject to risks, uncertainties and assumptions, including those filed under the Company's profile on SEDAR+ at www.sedarplus.ca. Factors that could cause actual results to differ materially from those in forward looking statements include, but are not limited to, continued availability of capital and financing and general economic, market or business conditions, adverse weather and climate conditions, equipment failures, failure to obtain or maintain all necessary government permits, approvals and authorizations, decrease in the price of gold, copper and other metals, the impact of viruses and diseases on the Company's ability to operate, failure to obtain or maintain community acceptance (including First Nations), increase in costs, litigation, and failure of counterparties to perform their contractual obligations. The Company does not undertake to update forward-looking statements or forward-looking information, except as required by law.
