02.12.2025 | [Newsfile](#)

Vancouver, December 2, 2025 - [Tudor Gold Corp.](#) (TSXV: TUD) (FSE: H56) (the "Company" or "Tudor Gold") is pleased to announce that it has entered into an agreement with Research Capital Corporation as the lead agent and sole bookrunner, on behalf of a syndicate of agents, including Roth Canada, Inc. (together, the "Agents"), in connection with a brokered, best-efforts listed issuer financing exemption private placement offering (the "Offering") of units of the Company (the "Units") for aggregate gross proceeds to the Company of up to \$10,000,000.

Each Unit will consist of one common share of the Company (a "Common Share") and one-half of one Common Share purchase warrant (each whole warrant, a "Warrant"). Each Warrant shall entitle the holder thereof to purchase one Common Share at an exercise price of \$1.20 per Common Share for a period of 24 months following the closing of the Offering.

The Company will grant the Agents an option (the "Agents' Option") to increase the size by up to an additional 15% of the number of Units sold in the Offering, by giving written notice of the exercise of the Agents' Option, or a part thereof, to the Company at any time up to two (2) business days prior to closing of the Offering.

The net proceeds from the Offering will be used for working capital and general corporate purposes.

The Units will be offered for sale pursuant to the listed issuer financing exemption under Part 5A of National Instrument 45-106 - Prospectus Exemptions, as amended by CSA Coordinated Blanket Order 45-935 - Exemptions from Certain Conditions of the Listed Issuer Financing Exemption (collectively, the "Listed Issuer Financing Exemption"), in all provinces of Canada, except Quebec, and other qualifying jurisdictions, including the United States. The Units offered under the Listed Issuer Financing Exemption will be immediately "free-trading" upon closing of the Offering under applicable Canadian securities laws.

There is an offering document (the "Offering Document") related to this Offering that can be accessed under the Company's profile at www.sedarplus.ca and at the Company's website at www.tudor-gold.com. Prospective investors should read this Offering Document before making an investment decision.

The closing of the Offering is expected to occur on or about the week of December 15, 2025 (the "Closing"), or on such date as the Agents and Company may agree upon. Closing is subject to the Company receiving all necessary regulatory approvals, including the conditional approval of the TSX Venture Exchange.

The Agents will receive a cash commission of 6.0% of the aggregate gross proceeds of the Offering and such number of broker warrants (the "Broker Warrants") as is equal to 6.0% of the number of Units sold under the Offering (in each case, subject to reduction for certain subscribers on a president's list of purchasers identified by the Company). Each Broker Warrant entitles the holder to purchase one Common Share at an exercise price equal to \$1.20 for a period of 24 months following the Closing.

This press release is not an offer to sell or the solicitation of an offer to buy the securities in the United States or in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to qualification or registration under the securities laws of such jurisdiction. The securities being offered have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and such securities may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons absent registration or an applicable exemption from U.S. registration requirements and applicable U.S. state securities laws.
