Calgary, December 8, 2025 - [Record Resources Inc.](#) (TSXV: REC) (the "Company" or "Record") is pleased to announce that, due to strong investor demand, it has upsized its previously announced brokered private placement offering from \$500,000 to \$1,800,000 (the "Offering") of units of the Company (the "Units") at a price of \$0.06 per Unit. The Offering is led by Research Capital Corporation as the sole agent and sole bookrunner (the "Agent"). The Offering shall consist of:

a) \$1,400,000 in Units to be issued on a prospectus-exempt basis pursuant to the LIFE Exemption (defined below) under applicable Canadian securities laws (the "LIFE Offering"); and

b) \$400,000 in Units, to be issued under a private placement pursuant to applicable prospectus exemptions in accordance with NI 45-106 ("Private Placement Offering", and together with the LIFE Offering, the "Offerings").

Each Unit will consist of one common share of the Company (a "Common Share") and one-half of one Common Share purchase warrant (each whole warrant, a "Warrant"). Each Warrant shall entitle the holder thereof to purchase one Common Share at an exercise price of \$0.09 per Common Share for a period of 30 months following the closing of the Offerings. The Warrants under the LIFE Offering shall be exercisable beginning 60 days following the Closing (as defined below).

The net proceeds from the Offerings will be used to progress strategic growth plans in Gabon, Africa and for working capital and general corporate purposes related to the company's existing oil development and high impact exploration assets.

The Company will grant the Agent an option (the "Agent's Option") to increase the size of the Private Placement Offering by up to \$100,000 in Units by giving written notice of the exercise of the Agent's Option, or a part thereof, to the Company exercisable at any time prior to the closing of the Offerings.

The Units under the LIFE Offering will be offered for sale pursuant to the listed issuer financing exemption under Part 5A of National Instrument 45-106 - Prospectus Exemptions, as amended by CSA Coordinated Blanket Order 45-935 - Exemptions from Certain Conditions of the Listed Issuer Financing Exemption (collectively, the "Listed Issuer Financing Exemption"), in all provinces of Canada, except Quebec, and other qualifying jurisdictions, including the United States. The Units offered under the Listed Issuer Financing Exemption will be immediately "free-trading" upon closing of the LIFE Offering under applicable Canadian securities laws.

There is an amended and restated offering document (the "Offering Document") related to this Offering that can be accessed under the Company's profile at www.sedarplus.ca and at the Company's website at www.recordresourcesinc.com. Prospective investors should read this Offering Document before making an investment decision.

The Private Placement Offering will be offered by way of private placement to accredited investors in each of the provinces of Canada and may also be offered in those other jurisdictions where the Private Placement Offering can lawfully be made, including the United States under applicable private placement exemptions. The Units to be issued under the Private Placement Offering will have a statutory hold period of four months and one day from Closing.

The closing of the Offerings is expected to occur on or about the week of December 22, 2025 (the "Closing"), or on such date as the Agent and Company may agree upon. Closing is subject to the Company receiving all necessary regulatory approvals, including the conditional approval of the TSX Venture Exchange.

The Agent will receive a cash commission of 8.0% of the aggregate gross proceeds of the Offerings and such number of broker warrants (the "Broker Warrants") as is equal to 8.0% of the number of Units sold under the Offerings. Each Broker Warrant entitles the holder to purchase one Unit at an exercise price equal to \$0.06 for a period of 30 months following the Closing.
