

Lion Copper Announces Amendment to Advisory Agreement for Share-for-Service

31.12.2025 | [Newsfile](#)

Vancouver, December 31, 2025 - [Lion Copper and Gold Corp.](#) (CSE: LEO) (OTCQB: LCGMF) ("Lion CG", or the "Company") announces that it has amended an existing advisory services agreement to permit payment of advisory fees through the issuance of common shares of the Company in lieu of cash.

The advisory agreement was originally entered into in April 2025 and provided for a monthly cash retainer of US\$10,000 in exchange for advisory services, including strategic planning, corporate development, and general advisory assistance. The amendment, effective December 1, 2025, does not change the scope or nature of the advisory services.

Pursuant to the amended agreement, the monthly retainer will be paid in common shares of the Company, issued at the end of each month for services provided during that month. The number of common shares to be issued will be calculated based on the 10-day volume-weighted average price of the Company's common shares for the ten trading days immediately preceding the first day of the applicable month. All other terms of the agreement remain unchanged.

All common shares issued pursuant to the agreement will be subject to applicable securities laws and the policies of the Canadian Securities Exchange. The shares will also be subject to resale restrictions under Rule 144 under US Securities laws, which impose holding periods and other conditions on resale.

The common shares have not been and will not be registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or applicable exemption from the registration requirements. This news release does not constitute an offer to sell or the solicitation of any offer to buy nor will there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such province, state or jurisdiction.

About Lion CG

Lion Copper and Gold Corp. is advancing its flagship copper project in Yerington, Nevada through an Option to Earn-in Agreement with Nuton LLC, a Rio Tinto Venture.
