Register with us today at www.shinesrooms.com to have free access to these research reports.

Although concerns over a decrease in demand from China recently caused copper prices to fall, several companies in the Industrial Metals and Minerals industry have been increasing their copper operations. While the recent price decrease could be of some concern to companies like Taseko Mines Ltd. and BHP Billiton Ltd., at the time this article was written copper prices were still up by double digits this year. Successful companies have been focusing their efforts of late on expansions, in an attempt to increase sales and profits. BHP Billiton recently stated that it is recommencing mining at its Pinto Valley operation, which produces copper and molybdenum concentrate. Taseko has also been working on a number of new projects, as it moves to expand its production. Taseko Mines Ltd. and BHP Billiton Ltd reports are accessible for free by registering today at
