

# Dacha Advises of Subordination of A Portion of Secured Debenture

01.03.2012 | [Marketwire](#)

TORONTO, ONTARIO -- (Marketwire - March 1, 2012) - [Dacha Strategic Metals Inc.](#) ("Dacha" or the "Company") (TSX VENTURE:DSM) (OTCQX:DCHAF) announces that as described in its note 5 to the financial statements for the quarter ended December 31, 2011, the Company had entered into an agreement to loan Forbes & Manhattan Asset Management Corporation ("FAMCo") up to C\$3,500,000 during the fiscal year ended March 31, 2010. FAMCo is an asset management company with a business plan to identify and acquire other Canadian asset managers which FAMCo assesses as undervalued. In February 2012, Dacha agreed to subordinate C\$550,000 of the debenture to Forbes & Manhattan, Inc. ("F&M") in consideration for F&M providing a C\$550,000 secured loan for regulatory capital funding to FAMCo. This transaction involves non-arm's length parties as Stan Bharti is a director of Dacha and FAMCo, and the sole director, executive officer, and the Executive Chairman of F&M. Mr. Bharti's wife is the sole shareholder of F&M, and in turn, F&M owns one-third of the issued and outstanding shares of FAMCo.

## About Dacha

[Dacha Strategic Metals Inc.](#) is an investment company focused on the acquisition, storage and trading of strategic metals with a primary focus on Rare Earth Elements. Dacha is in the unique position of holding a commercial stockpile of Physical Rare Earth Elements. Its shares are listed on the TSX Venture Exchange under the symbol "DSM" and on the OTCQX exchange under the symbol "DCHAF".

*Except for statements of historical fact relating to the Company, certain information contained herein constitutes "forward-looking information" under Canadian securities legislation. Forward-looking information includes, but is not limited to, statements with respect to the Company's ability to trade in rare earth elements, the realization value of Dacha's physical inventory portfolio, proposed investment strategy of the Company, and general investment and market trends. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made. Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Dacha to be materially different from those expressed or implied by such forward-looking information. Although management of Dacha has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. Dacha does not undertake to update any forward-looking information, except in accordance with applicable securities laws.*

*The market value of the Company's physical inventory is estimated using price quotes published by two of the largest independent news sources for the metals industry, namely, Asian Metal ([www.asianmetal.com](http://www.asianmetal.com)) and Metal-Pages ([www.metal-pages.com](http://www.metal-pages.com)). In cases where these websites do not provide a price quote on the type or quality of metal held in the Company's physical inventory, the Company relies on a price quote provided by independent third-party industry participants.*

**NEITHER THE TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE.**
