NOT FOR DISTRIBUTION IN THE UNITED STATES OR OVER U.S. NEWSWIRE SERVICES

VANCOUVER, BRITISH COLUMBIA -- (Marketwire - Feb. 15, 2013) - [Pretium Resources Inc.](#) (TSX:PVG) (NYSE:PVG) ("Pretivm" or the "Company") is pleased to announce that it has closed its private placement of 361,300 ITC flow-through common shares ("ITC Flow-Through Shares") of Pretivm at a price of \$13.84 per share and 1,287,250 CEE flow-through common shares ("CEE Flow-Through Shares") of Pretivm at a price of \$12.43 per share for aggregate gross proceeds of \$21 million (the "Offering"). The Offering includes the exercise, in part, of the underwriters' option for the purchase of an additional 80,450 CEE Flow-Through Shares pursuant to the previously announced bought deal private placement. The syndicate of underwriters was led by CIBC and included Cormark Securities Inc., RBC Capital Markets, Scotia Capital Inc., BMO Capital Markets, Dahlman Rose & Co., GMP Securities L.P., Salman Partners Inc. and UBS Securities Canada Inc.

The gross proceeds of the Offering will be used to advance exploration activities at the Brucejack Project in support of the 10,000-tonne bulk sample from the Valley of the Kings, which is scheduled to begin in the second quarter.

Subscribers under the Offering are not permitted to trade the Flow-Through Shares for a period of four months plus one day from the closing of the Offering. The Flow-Through Shares offered have not been and will not be registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of such Act.

About Pretivm

Pretivm is creating value through gold at its high-grade gold Brucejack Project, located in northern British Columbia. Brucejack hosts a major undeveloped high-grade gold resource and mineralization remains open in all directions. A feasibility study for a high-grade underground mine in Brucejack's Valley of the Kings is underway and expected in the second quarter.

Forward Looking Statement

This News Release contains "forward-looking information" and "forward looking statements" within the meaning of applicable Canadian and United States securities legislation. Forward-looking information may include, but is not limited to, risks related to our planned exploration and development activities, the adequacy of Pretivm's financial resources, the estimation of mineral resources, realization of mineral resource estimates, timing of development of Pretivm's Brucejack Project, costs and timing of future exploration, results of future exploration and drilling, production and processing estimates, capital and operating cost estimates, timelines and similar statements relating to the economic viability of the Brucejack Project, timing and receipt of approvals, consents and permits under applicable legislation, Pretivm's executive compensation approach and practice, and adequacy of financial resources. Wherever possible, words such as "plans", "expects", "projects", "assumes", "budget", "strategy", "scheduled", "estimates", "forecasts", "anticipates", "believes", "intends" and similar expressions or statements that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved, or the negative forms of any of these terms and similar expressions, have been used to identify forward-looking statements and information. Statements concerning mineral resource estimates may also be deemed to constitute forward-looking information to the extent that they involve estimates of the mineralization that will be encountered if the property is developed. Any statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance are not statements of historical fact and may be forward-looking information. Forward-looking information is subject to a variety of known and unknown risks, uncertainties and other factors that could

cause actual events or results to differ from those expressed or implied by the forward-looking information, including, without limitation, those risks identified in Pretivm's prospectus supplement to the short form base shelf prospectus dated March 19, 2012 filed on SEDAR at www.sedar.com and in the United States through EDGAR at the SEC's website at www.sec.gov. Forward-looking information is based on the expectations and opinions of Pretivm's management on the date the statements are made. The assumptions used in the preparation of such statements, although considered reasonable at the time of preparation, may prove to be imprecise. We do not assume any obligation to update forward-looking information, whether as a result of new information, future events or otherwise, other than as required by applicable law. For the reasons set forth above, prospective investors should not place undue reliance on forward-looking information.

The TSX has neither approved nor disapproved of the information contained herein.
